

Kurt Cobain is
“The Voice of the Whole
Generation X”

KURT COBAIN

1967 - 1994

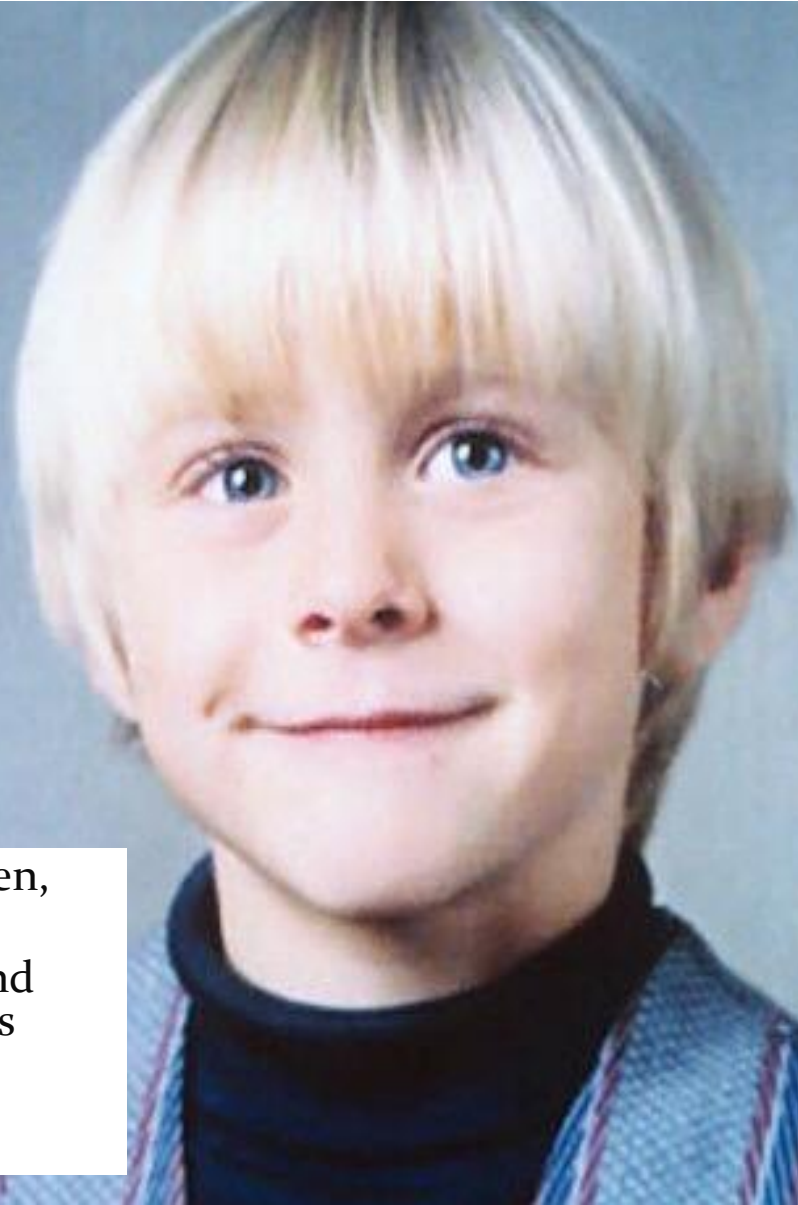

Prehistory

Generation X is a generation that born in the early 60's to the early 80's

- Significantly increased the divorce processes.
- Increased the percent of working women. So called “Two-Income Household Generation”
- This generation is also called “Latchkey Generation”
- (поколение ключей).

Kurt Cobain, born on the 20th of February 1967, became the very boy who suffered the hardships of capitalistic changes in the society.

Kurt was born in Aberdeen, Washington.

He was happy, cheerful and smiling boy, but he was highly sensitive and vulnerable

The first disappointment

When Kurt was 9 years old, his parents divorced. After that case the personality of the boy radically changed. The boy became withdrawn and tried to appear at home less, hanging around the streets of boring Aberdeen like all representatives of Generation X.

To this complicated teenage period Kurt devoted his song
“Something in the Way”

**‘Underneath the bridge
The tarp has sprung a
leak
And the animals I've
trapped
Have all become my
pets’**

Poverty, Drugs, Aids and Crime

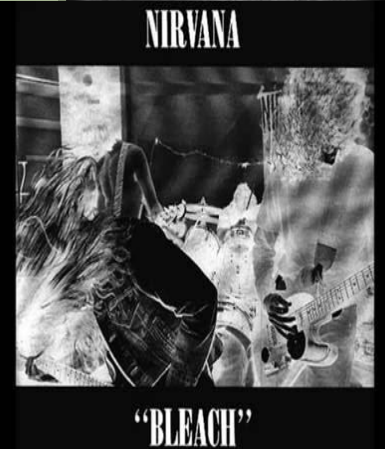

In 1980's in States were decided to cancel the youth assistance program and to redirect the assistance to old aged people. In result every fifth person from the Generation X spend youth in poverty. During that time drug epidemic broke out and AIDS(СПИД) spread

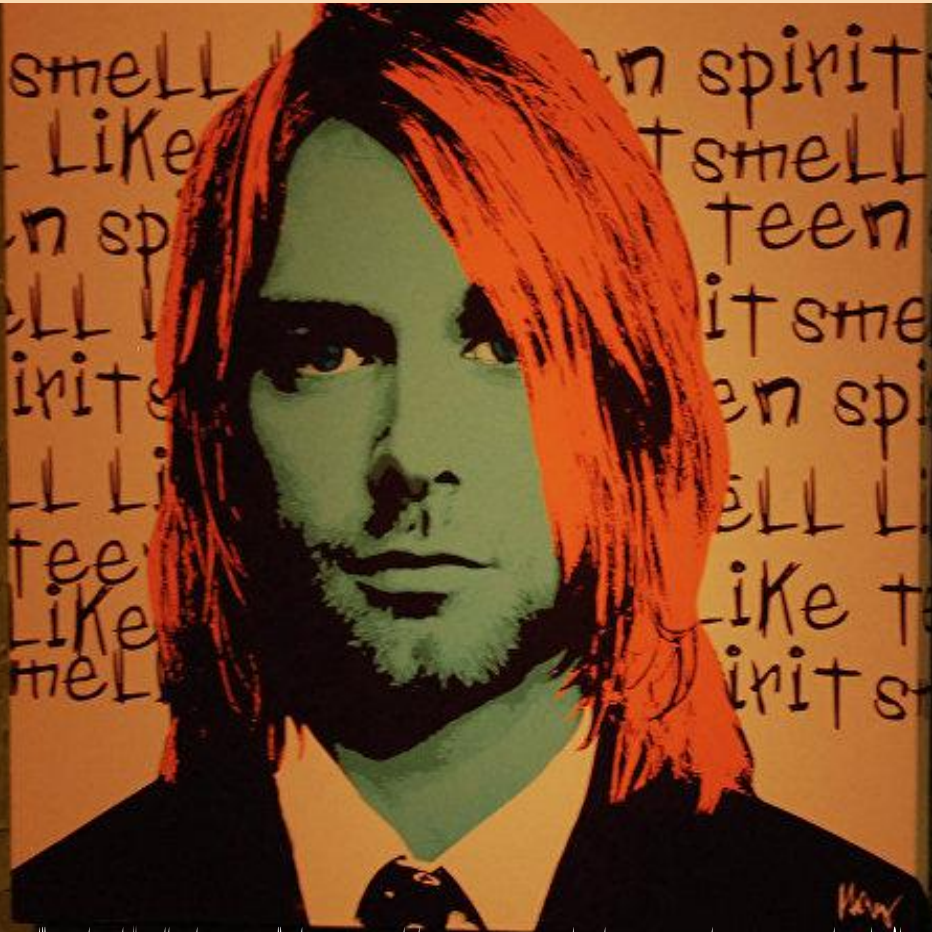

NIRVANA

Nirvana is an outstanding American rock band, formed in 1987 by vocalist and guitarist Kurt Cobain, the leader of the group and the author of all lyrics, Krist Novoselic (bass guitar) and Dave Grohl (drummer).

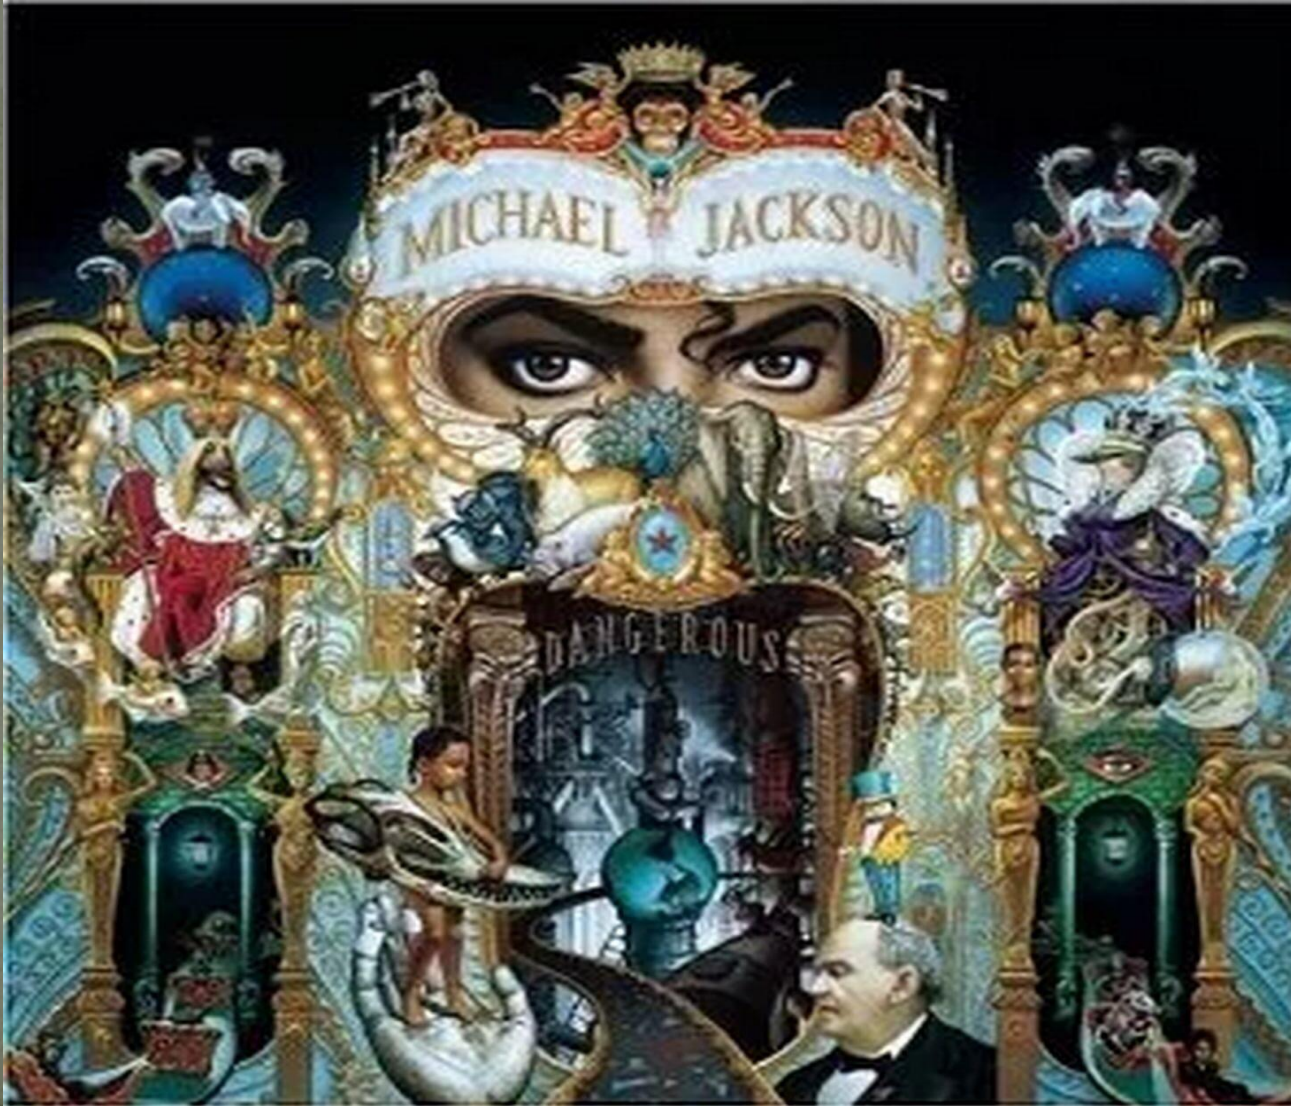

In 1989 Nirvana released its first album entitled "BLEACH"

The Greatest Album “NeverMind”

An Interesting Fact

In September 1992 an unexpected case happened. Nirvana's second album "NeverMind" took the first place in the charts and outran the just-released Michael Jackson's album "Dangerous"

Though you can differently refer to Nirvana's music, but nevertheless no one can deny its cultural contribution.

Another Interesting Fact

In 2012 “The Rolling Stones” magazine put the album “NeverMind” on the 17th place amongst the greatest albums of music history: “No album over the years has had such an overwhelming impact on an entire generation, and such a disastrous effect on the main its Creator”.

Disappointment

The world of corporations, profit and hypocrisy disappointed him. Later Kurt was disappointed in his marriage with sassy, unbalanced, rocker woman Courtney Love, that led to tragedy and finally Kurt mired in heroin addiction(героиновая зависимость), that destroyed him.

Nevertheless Kurt proceeded to write lyrics. And in 1993 the last album was released. At first it had an alarming title: "I hate myself and I want to die. Later it was named "In Utero"(в утробе)

On the 8th of April 1994 an electric came to the Cobain's house in Seattle to install a home security system. It was him who found Kurt Cobain lying dead with a bullet in his head after three days of his death. Kurt Cobain died on the 5th of April 1994. The Police named the cause of the death as suicide. But when the news spread in the society a theory appeared that Cobain was murdered.

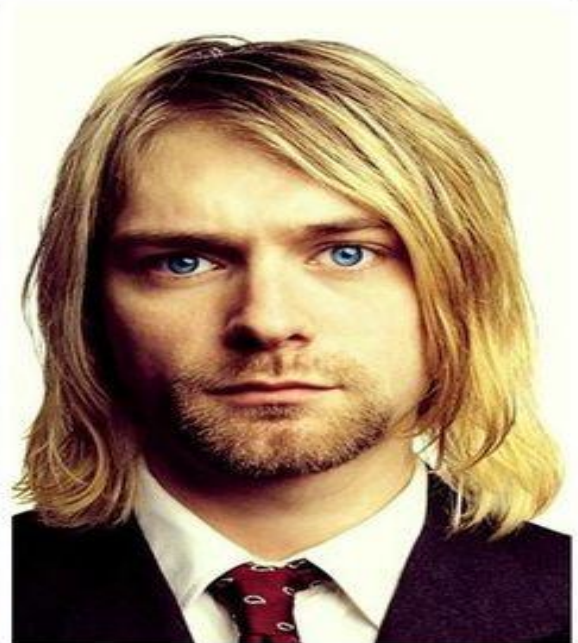

DEATH

Suicide? or

MURDERED

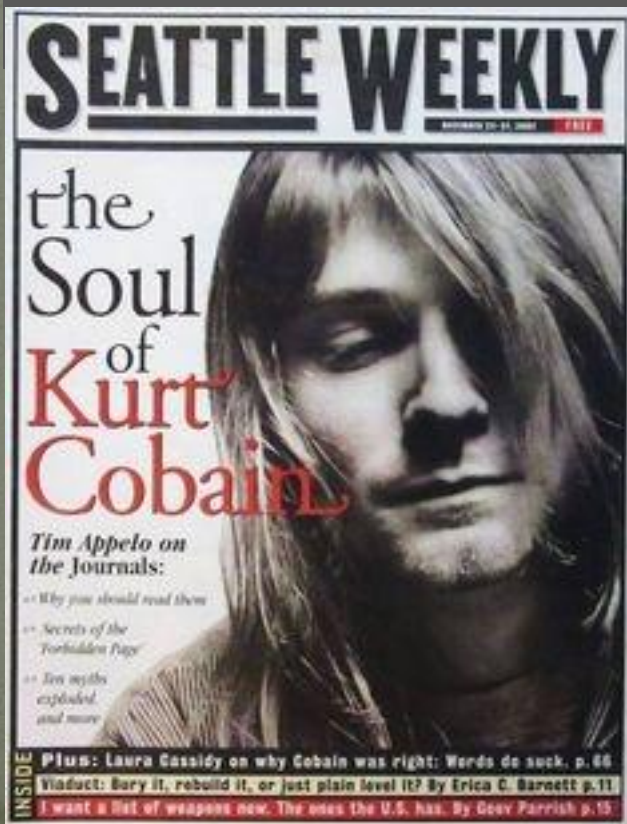

A PRIVATE detective sensationally claims Kurt Cobain did not commit suicide — but was murdered.

Michael DeWitt - Long time friend of Courtney. Main suspect.

Who Knows?

Nobody knows if Courtney Love ordered the killing of Kurt or not, but we may dare to suppose that she assisted to this tragedy to happen.

"A friend is nothing
but a known enemy."

- Kurt Cobain

On the 5th of April 1994, drugged, disappointed first in his parents, then in the world of music and in the end disappointed in his beloved woman, Kurt didn't see any sense to live.
