# MY FAMILY

My name is  
Katya. I  
am 16.

I'd like to say a few words  
about my family...

I have a big family.

My mum is 38.  
She works in a  
library.

My father is  
38.  
He works as a  
teacher.

I have got a  
sister.  
She is a  
student.

We have a good time together 😊

Everybody thinks we are twins,  
but we are not. We simply look  
alike.

Everyday I and my sister go to school, our parents go to work.

We love our parents and always help them about the house.

I have a grandmother. I very love her, because she is kind and beautiful.  
My grandmother is brainy and supportive. We have similar interests.

I have got many relatives.

I set out to find out about my ancestors. They lived far from my place. I know that they were neither rich nor poor. They had many shops.

I think, that our family, is  
very happy.
