

# ЛОГИКО - МАТЕМАТИЧЕСКАЯ ИГРА

*Мальчи*

*и*

*Карлсон*

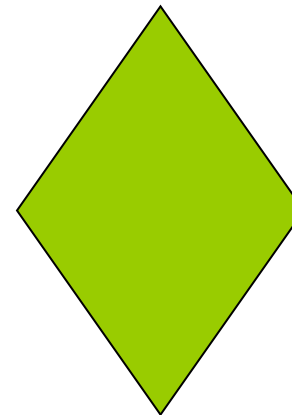

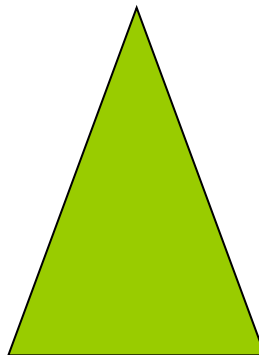

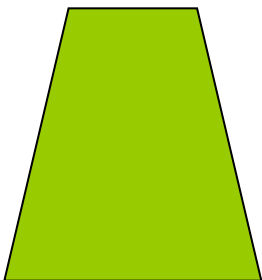

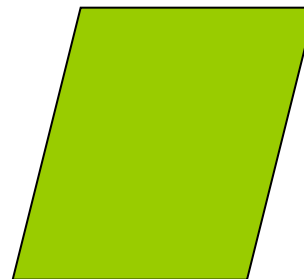

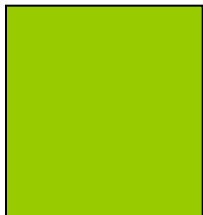

Фрекен Бок не отпускает  
Малыша играть.

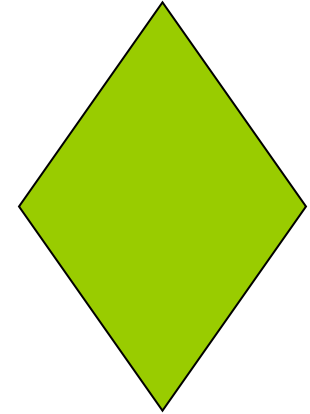

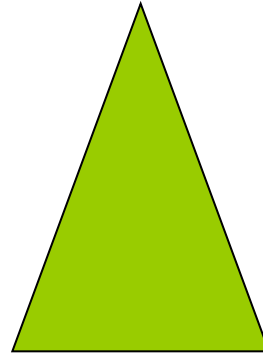

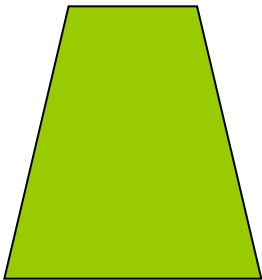

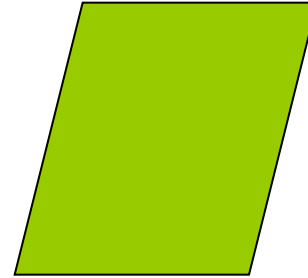

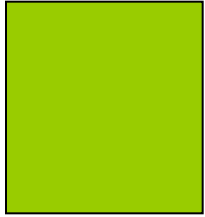

Малыш должен выполнить задания.  
Помоги ему.

Найди и покажи лишнюю фигуру

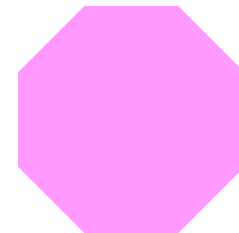

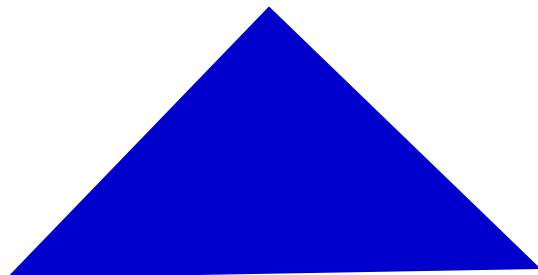

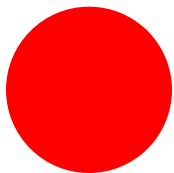

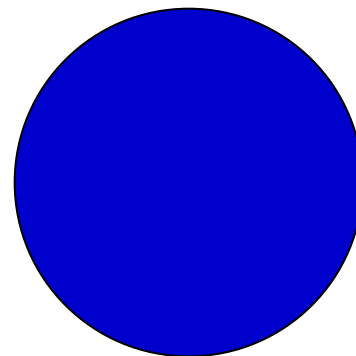

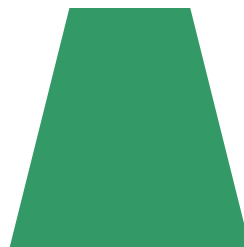

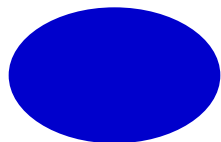

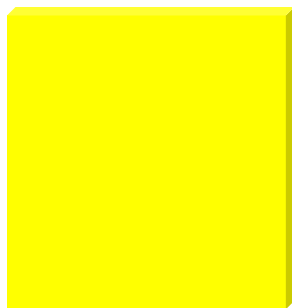

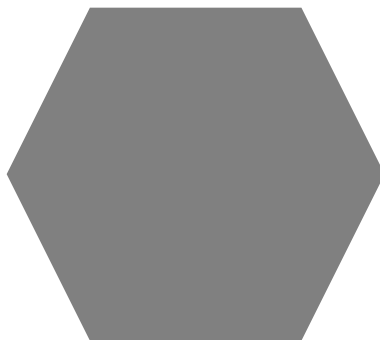

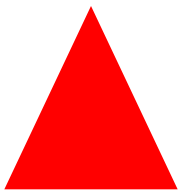

Лишний - треугольник. Остальные – четырехугольники.

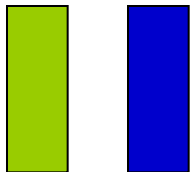

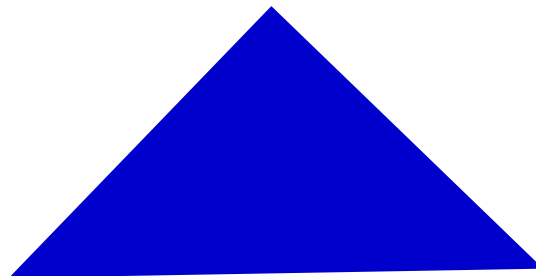

Ты получаешь краску. Собери краски для картинки.

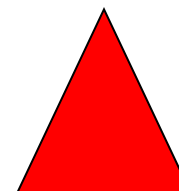

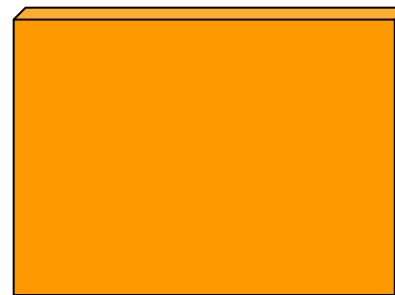

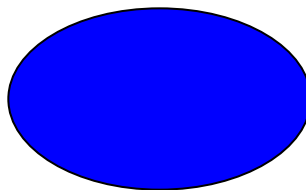

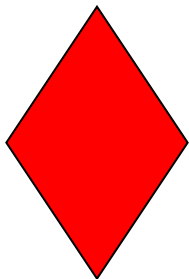

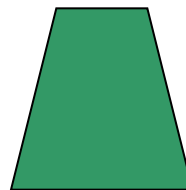

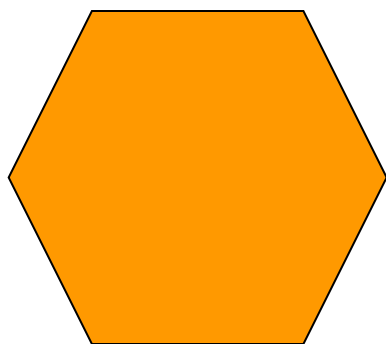

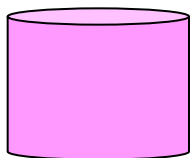

Найди фигуру синего цвета, большую и тонкую

Эта фигура синего цвета, большая и тонкая

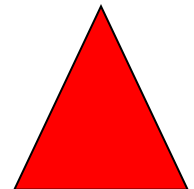

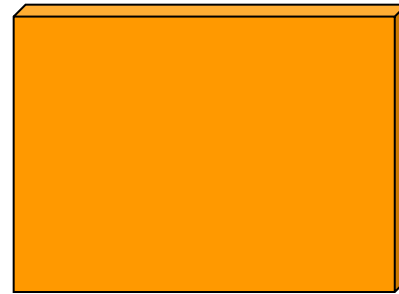

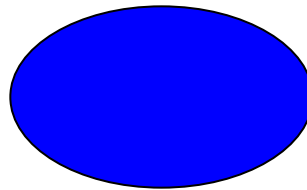

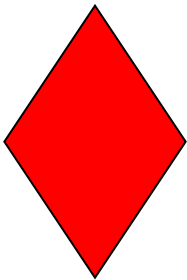

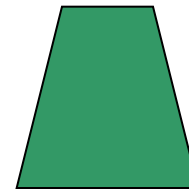

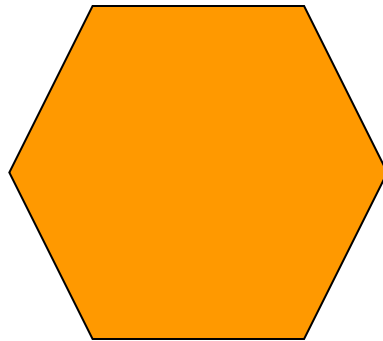

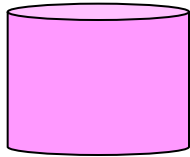

Найди большую, толстую фигуру

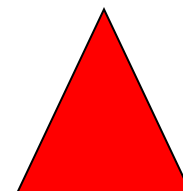

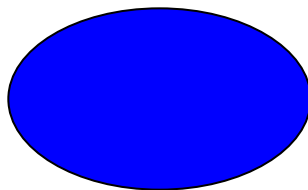

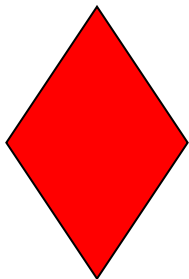

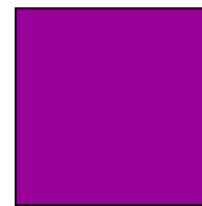

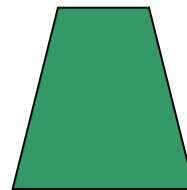

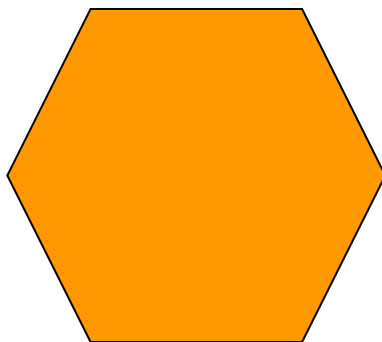

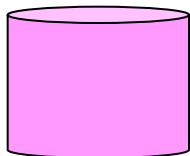

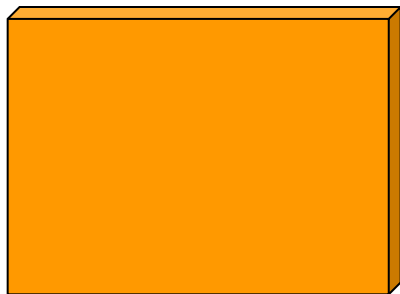

Это большая, толстая фигура

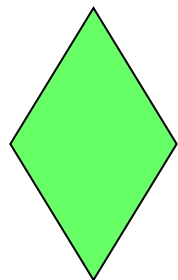

Найди фигуру такого же цвета, но другой толщины

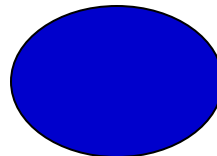

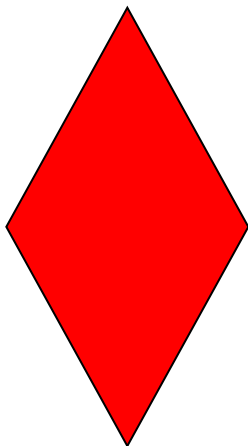

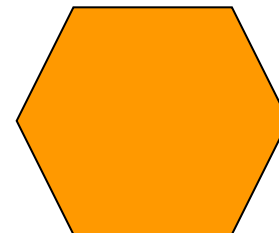

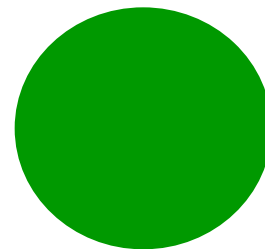

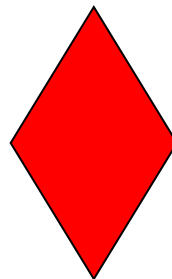

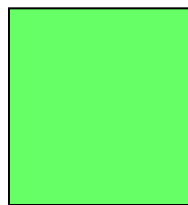

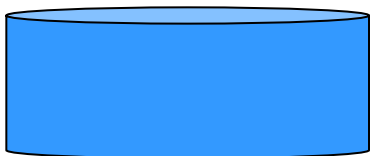

Эта фигура такого же цвета, но другой толщины

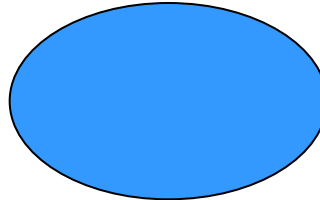

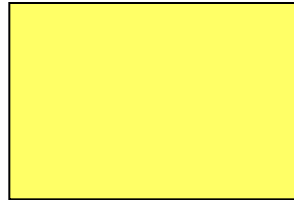

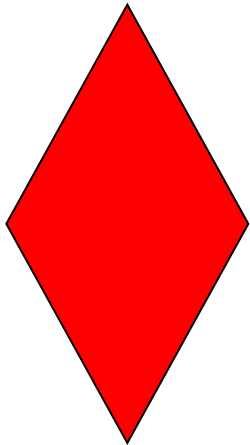

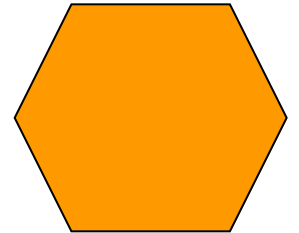

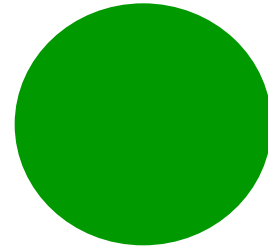

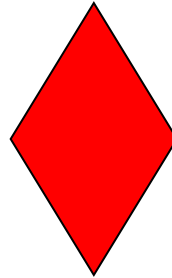

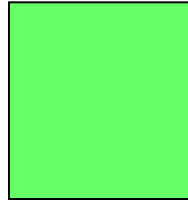

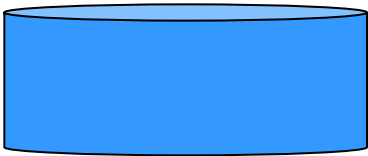

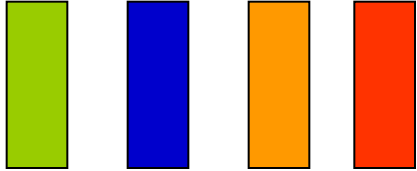

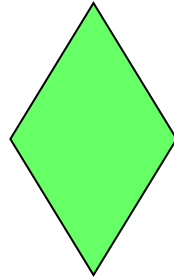

# Измени цвет и размер фигуры

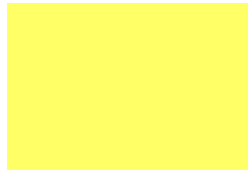

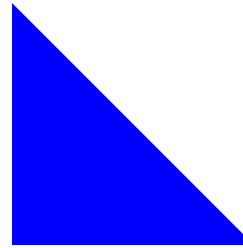

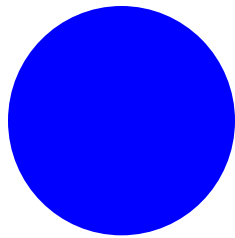

?

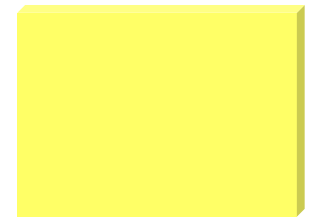

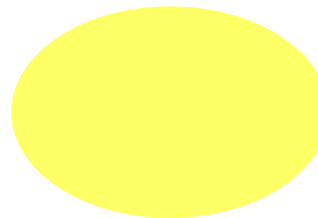

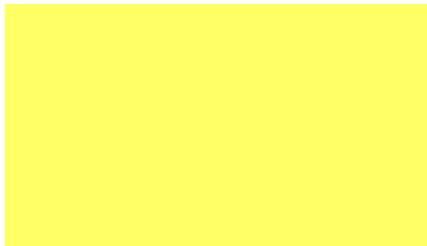

# Изменился цвет и размер фигуры

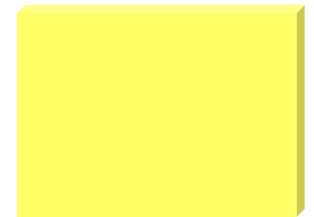

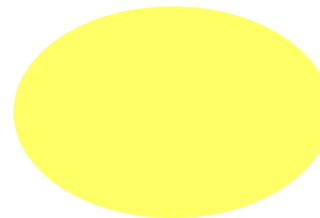

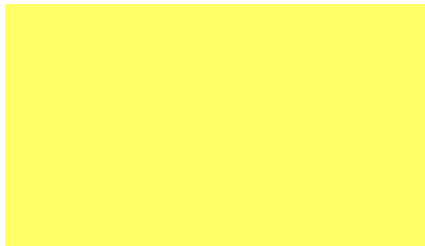

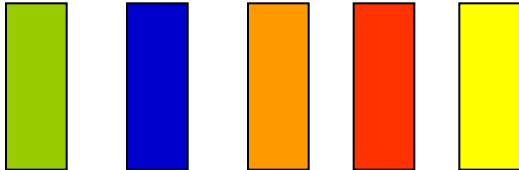

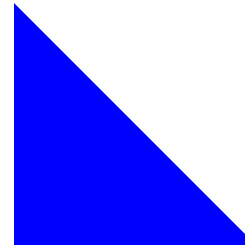

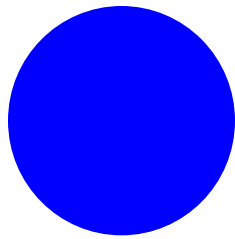

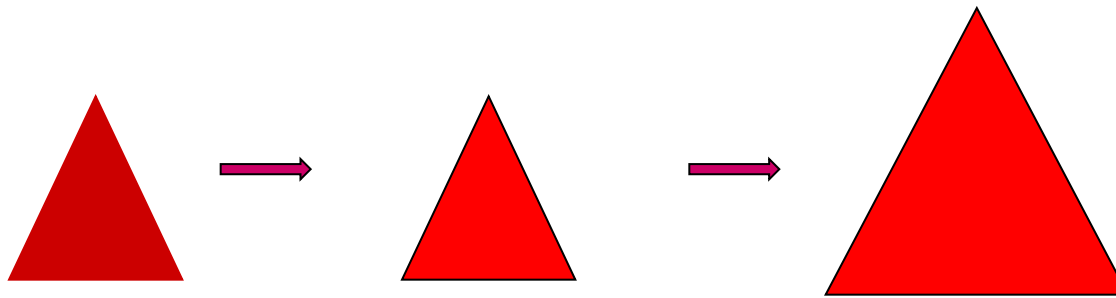

**Измени фигуру так, как на образце**

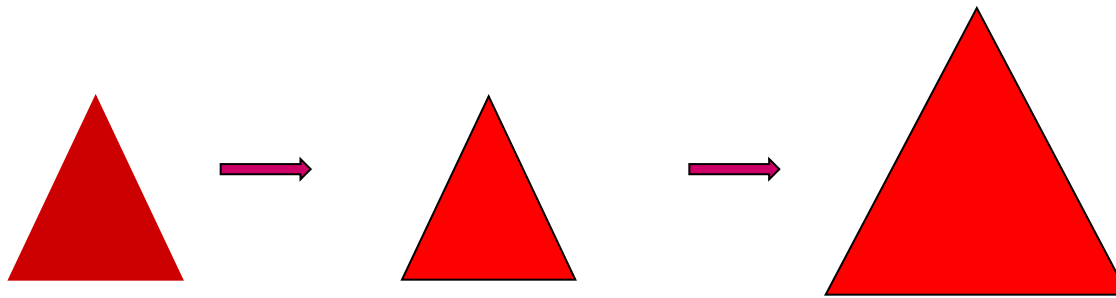

Изменяется форма!

Измени фигуру так, как на образце

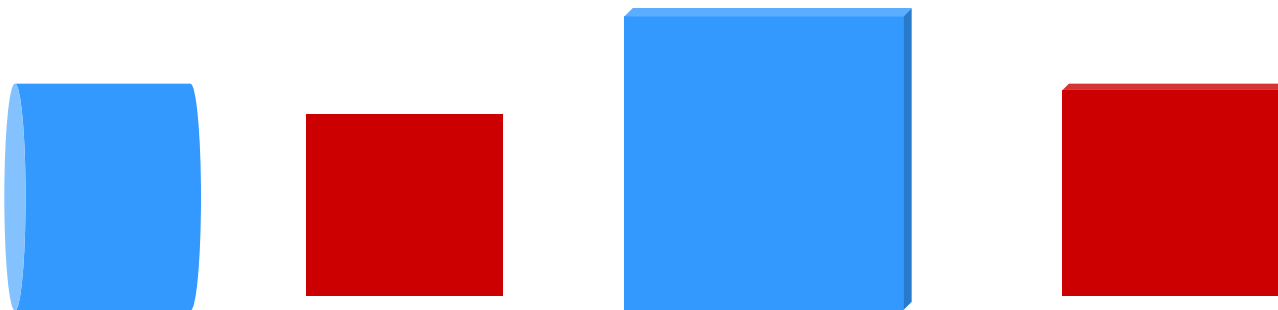

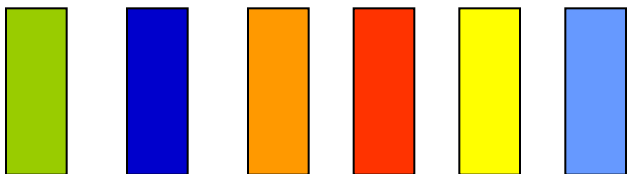

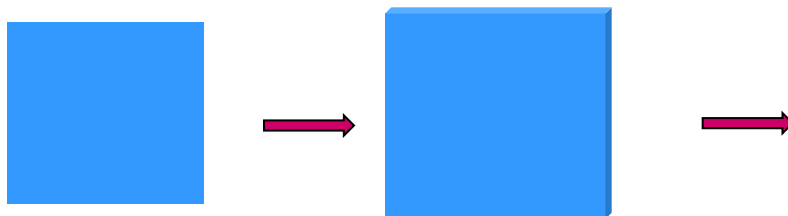

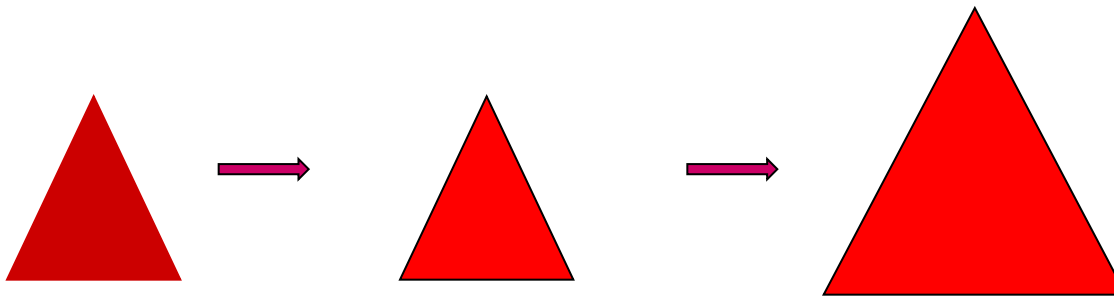

Измени фигуру так, как на образце

Изменяется толщина

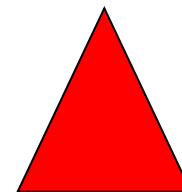

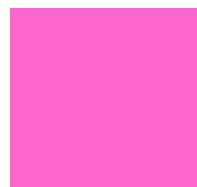

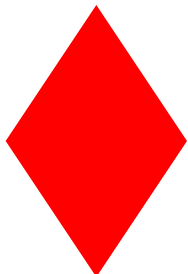

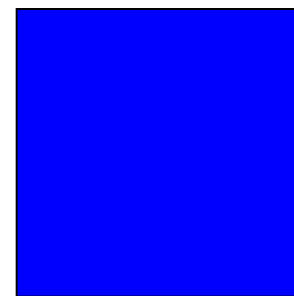

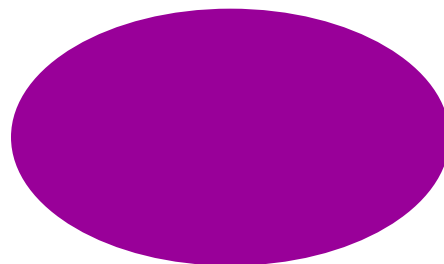

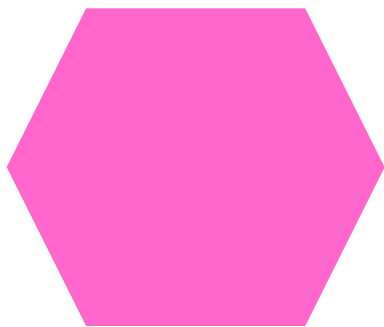

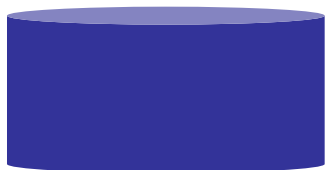

Изменяется сначала толщина, а затем размер

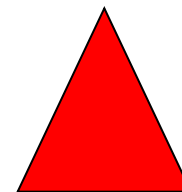

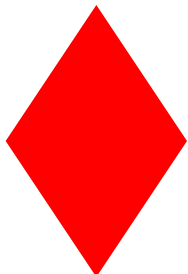

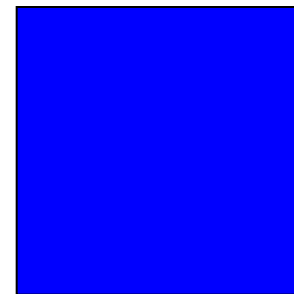

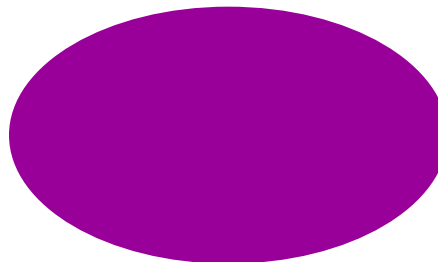

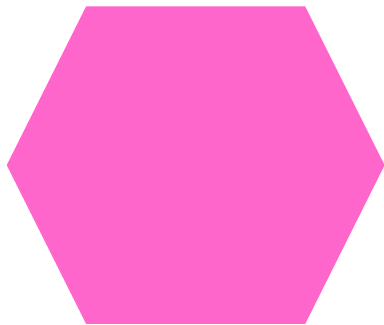

Измени только цвет и толщину фигуры, затем форму и размер

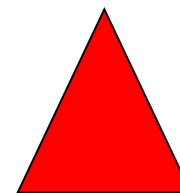

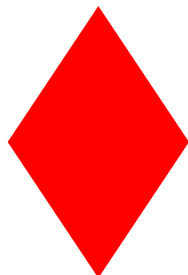

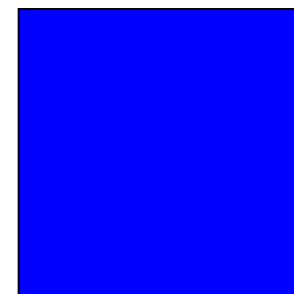

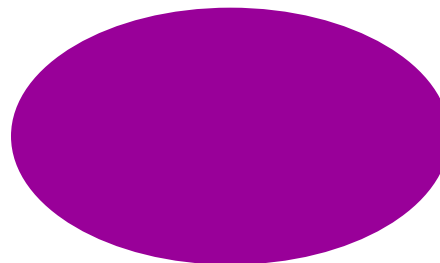

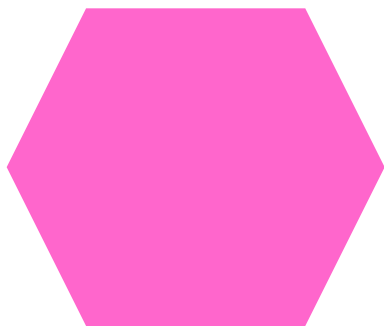

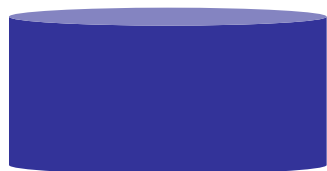

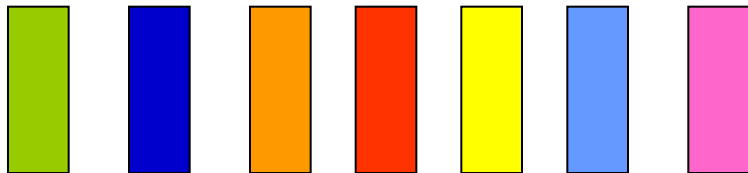

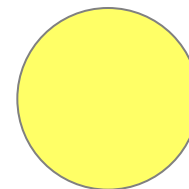

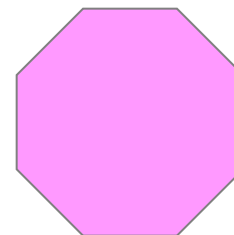

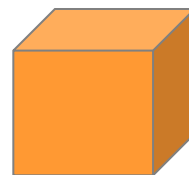

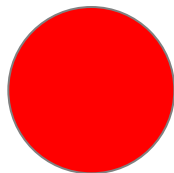

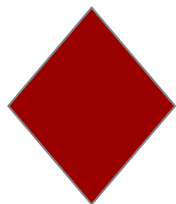

Теперь у второй фигуры измени форму и размер

Изменился цвет и толщина фигуры, затем форма и размер

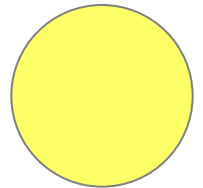

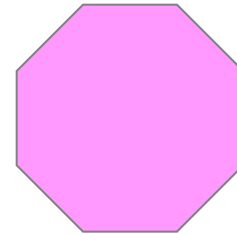

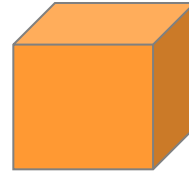

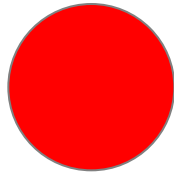

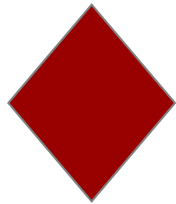

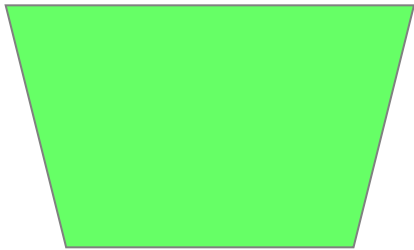

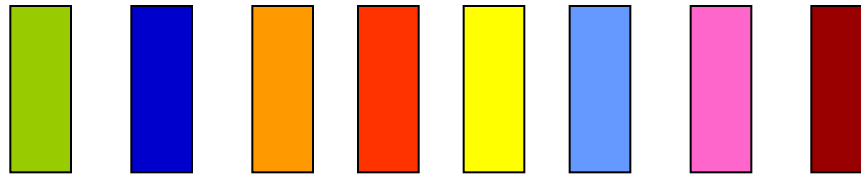

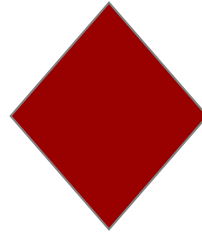

Найди не красный круг

**Это не красный круг**

**Найди фигуру такой же толщины и размера ,  
но другого цвета и формы**

**Все задания выполнены!  
Малыш теперь может играть!  
Раскрашивай картинку  
и  
отправляйся в полет – в гости к Карлсону!**

Начинаем обратный отсчет
