Indian Mutiny

- The Bengal Army had fought faithfully for Britain BUT it was on the British terms e.g. they would not go overseas.
- In 1857 large parts of the Bengal Army rebelled against the British.
- They shot British Officers and marched to Delhi.
- This encouraged other Indian people to rebel against British rule in India.
- This resulted in many British and Indian deaths.

What caused the Mutiny?

What did the British do in India that the native people did not like?

- What traditions did the British get rid of? Was this good or bad?

Think back to the things that define you:

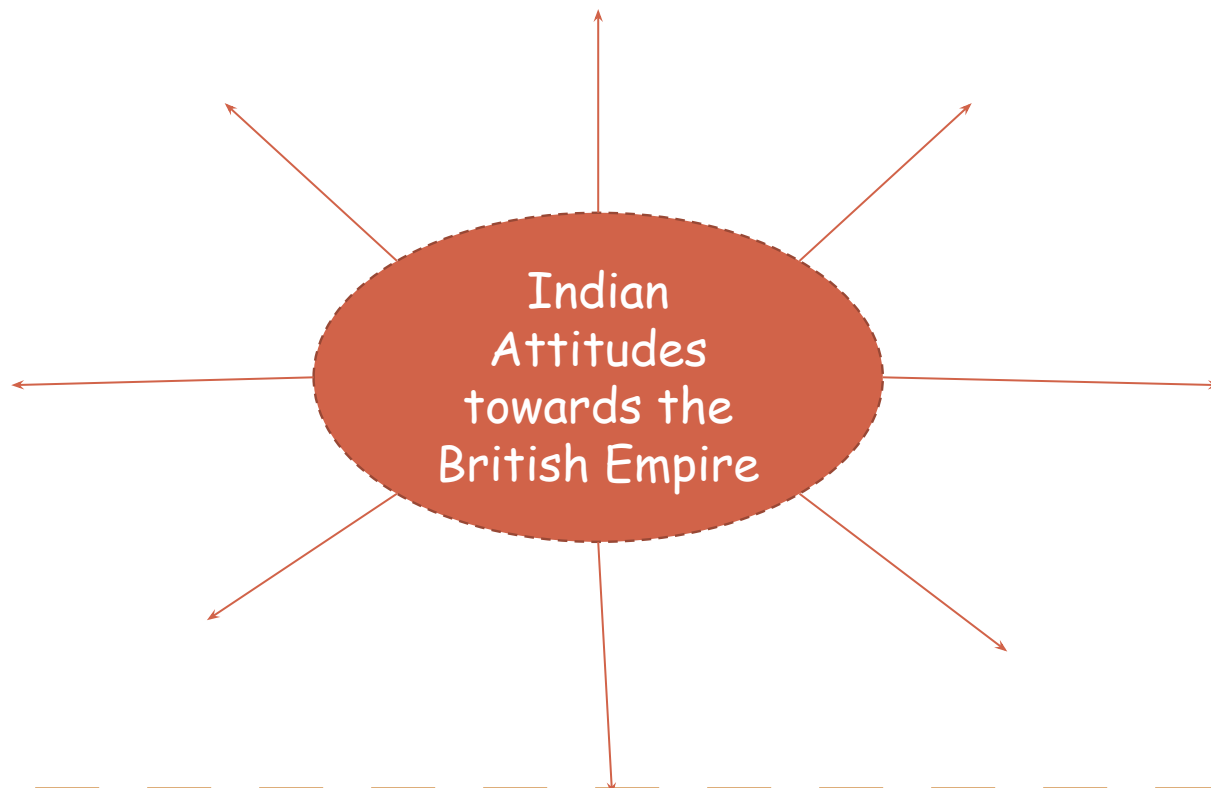

How would you *feel* if someone told you that you were not allowed to believe in these things?

Task - What caused the Mutiny?
