Personally, I think a cruise is the best type of holiday because there are so many things you can do. You can go swimming in the pool during the day and enjoy the nightlife once the sun goes down.

I think camping holidays are becoming more popular for many reasons. Firstly, it's because they are so economical. Once you have bought all the equipment it is very cheap to rent a space on a campsite. Secondly, camping gives you a sense of freedom. You can do what you want, when you want. Thirdly, it is a great way to get away from it all and explore unspoilt countryside. You can walk or drive to places where very few people go. You are also very close to nature when you're camping. You're out in the woods and you get an experience that you can't get anywhere else. Lastly, camping lets you develop skills that you may have never known that you had. You can learn to cook outdoors, fish, set up a tent, build a fire and so on.
