

AT THE AIRPORT

When preparing to fly, passengers are requested to arrive at the airport 2 hours before departure time.

They must register their tickets, get a seat assignment, and check their luggage.

CLASSES OF TRAVEL

Most airlines have at least 2 classes of travel, first class and economy class.

Economy class tickets are much less expensive.

Each passenger more than 2 years old gets a free luggage allowance

A FREE LUGGAGE ALLOWANCE

Generally this weight limit is 20 kg of checked baggage for economy class passengers and 30 kg for first class passengers.

If you check excess luggage you'll have to pay a fee calculated by the number of extra pieces and the extra weight.

Every passenger is also allowed one small carry-on bag, for instance a laptop computer or small suitcase.

THE RULES FOR PASSENGERS WHO ARE TRAVELING ABROAD

The rules for passengers who are traveling abroad are similar in most countries but there are, sometimes, slight differences.

Here are some things to remember: if, for instance, you need to go through Customs, try to fill in the customs declaration before you talk to the customs officer.

He will ask every passenger the same, routine questions about whether he is carrying anything he wants to declare: like tobacco, alcohol, presents, and sums of money.

At the check-in counter, your ticket is looked at, your things are weighed and labeled with their destination.

The next formality is filling in the immigration form and going through passport control. Remember to have a black or blue pen with you because the immigration form has to be filled in block letters.

You write your name, nationality, permanent address and the purpose of your trip. In most countries there is also a security check when your carry-on-luggage is inspected.

THE DEPARTURE LOUNGE

After fulfilling all these formalities you go to the departure lounge where you can have a snack, read a paper or buy something in the duty-free shop and wait for the announcement to board the plane.

WHEN YOU ARRIVE

When you arrive at your destination, some of these same formalities will undoubtedly be repeated. Often while on board the plane you will be given a customs declaration and immigration form to fill in.

At the airport you may be met by a specially trained dog whose job it is to make sure that no passengers are carrying any illegal drugs. In addition, the immigration officer might want to inspect your visa, your invitation and even your return ticket.
