

Present Continuous

Настоящее продолженное

Difference between Present Simple and Continuous

Present Simple

I go to school. – Я хожу в школу.

Present Continuous

I am going to school **now. – Я иду в школу **сейчас**.**

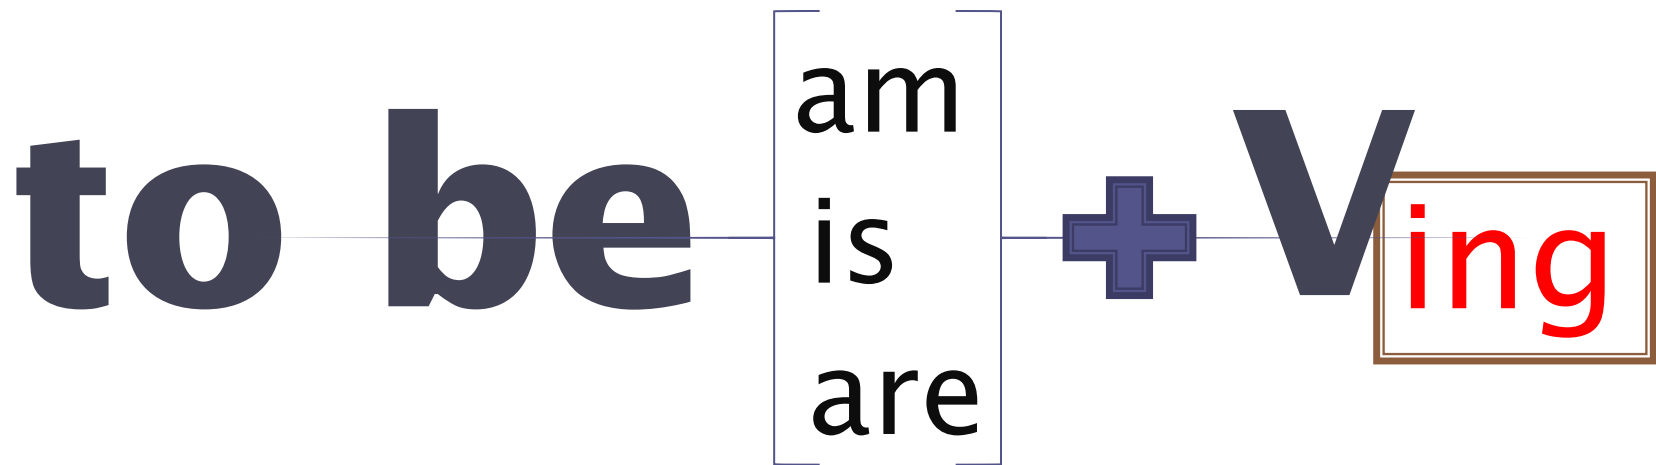

It's snowing

Идет снег

Present Continuous

образуется с помощью:

I am

he
she
it

is

we
you
they

are

go

-ing

A cartoon snail with a large, rounded shell. The word "go" is written in blue on the shell. An arrow points upwards from the right side of the shell, with the text "-ing" written in yellow next to it. The snail's head and two antennae are visible on the left side of the shell. The words "I am", "is", and "are" are written in green, and "he", "she", "it", "we", "you", and "they" are written in brown.

am

is

are

He

playing

watching

reading

now.

am

is

are

playing

watching

reading

They _____ now.

am

is

are

playing

watching

reading

I _____ the

guitar now.

What is she doing at the moment?
She is drawing a picture at the moment.

What's it doing now?

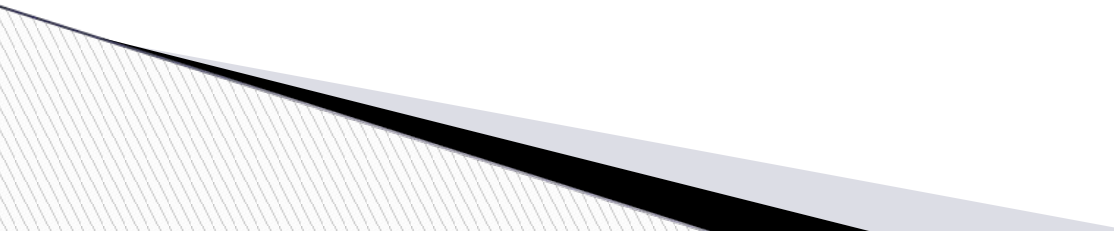

When we speak, we usually use short form of the verb *to be*

I **am** reading. → I'**m** reading.

She **is** reading. → She'**s** reading.

You **are** reading. → You'**re** reading.

Помни, что при добавлении окончания **-ing**

jump + ing = jumping

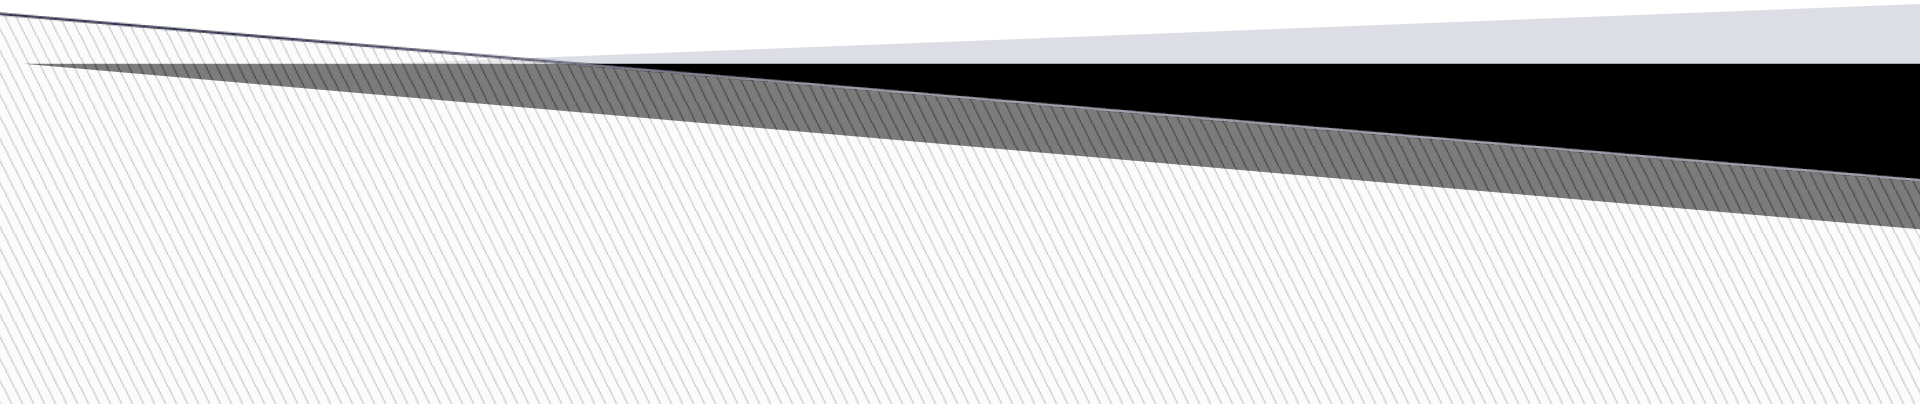

makee + ing = making

run + ing = running

sit + ing = sitting

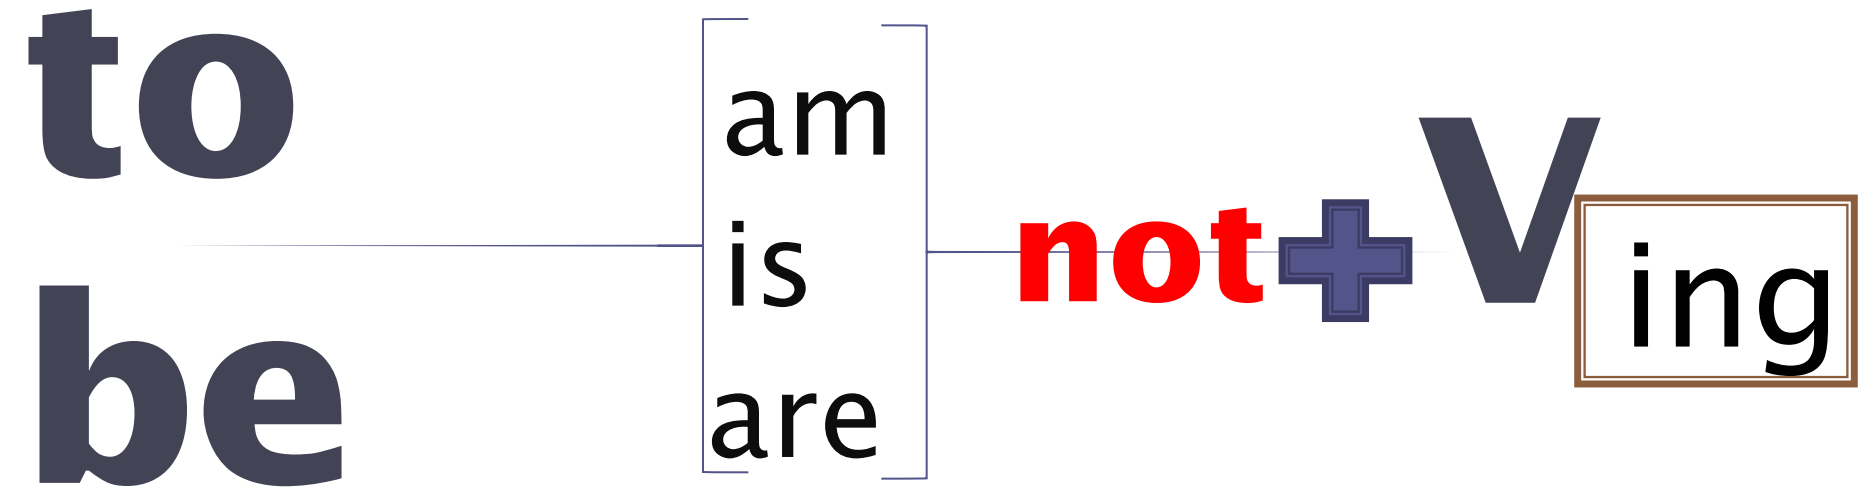

Negative

Отрицание

Отрицательные предложения в Present

Continuous образуется с помощью:

Cat is **not** eating.

- Кот **не** кушает.

We are **not**
sleeping.

- Мы **не**
СПИМ.

Short form

You are not swimming.

You aren't swimming.

Choose the right sentence

She isn't skating.

She's skating.

The tiger's
jumping.

The tiger isn't
jumping.
