BIATHLON - БИАТЛОН

Biathlon

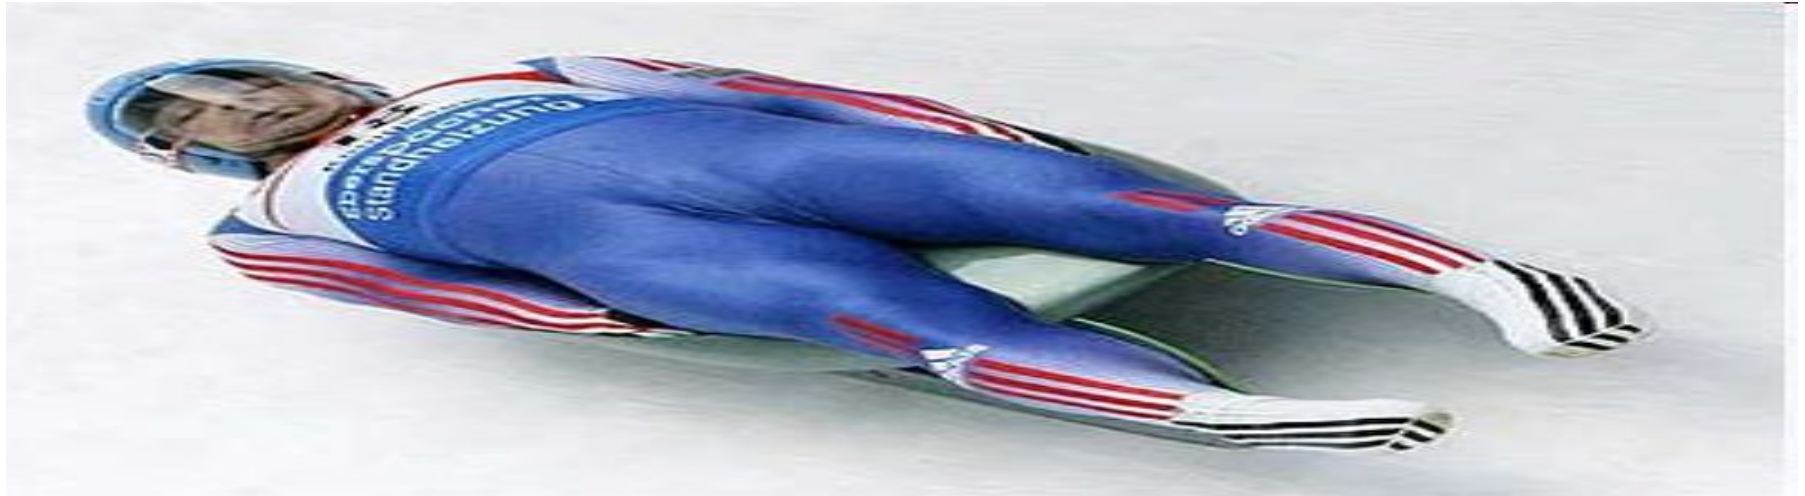

Биатлон

For today the program of the Olympic winter games includes five events in biathlon for men and five for women:

- individual race,
- sprint,
- chase race,
- mass start
- relay race.

Toboggan (Luge) Санний спорт

It is downhill racing on a sledge along a special route with artificial ice.

The position on the back makes the body gravity control one of the most difficult elements.
