

MY IDEAL SCHOOL

school canteen

There is a good school canteen in my ideal school. There are fruit, vegetables, salads, water, mineral water, bread, and healthy food on tables. There are comfortable chairs, tables, good food, good cleaners and a snack bar too.

classrooms

Classrooms are comfortable, bright ,
spacious. The teachers are kind. We
study Russian language ,
Mathematics, Literature, Biology, Art,
Geography, PE, English and others.

School break

At school break children play quiet games, and run in the yard.

Children sit and read their favorite book

school stadium

Near the school there is a big stadium.
