My School

I really like my school,
and just want to say,
That's where I spend,
most of my day.

Countless activities,
I get to do.
For arts and crafts ,
I always use glue.

During math class,
I learn to add and subtract.
ten times ten equals one hundred,
that's an absolute fact.

One of my favorite classes,
is fun and called gym.
I can nearly touch,
that basketball rim.

I also enjoy learning,
difficult words to spell.
My ears are programmed,
for that school bell.

I really like my school,
and just want to say,
I'm always excited,
for the very next day.
