## THE BEAR NECESSITIES

A woman from Vancouver, Canada, came home from work one day to find herself in the middle of a real-life **nursery rhyme**! Paula Green is now called 'Goldilocks' by her friends after finding a hungry bear in her kitchen.

The two-year-old brown bear was eating Paula's **porridge**, so she quickly went into the next room and called for help. **Eventually**, the baby bear finished his meal and **ran off** into the forest. Luckily, there was no sign of a daddy or mummy bear!

James Thomas broke his leg when he fell into a river. Realising he was badly hurt he called his dog 'Buddy' who amazingly pulled him to **safety**. James was **recovering** in hospital yesterday but can't wait to get home and say 'thank you' to Buddy!
