A man in a suit is shown from the chest up, holding a tablet. His body is semi-transparent, revealing a cityscape with tall buildings and a bright sun setting behind them. The background is a blurred city skyline.

5 BUSINESS IDEAS TO START WITH NO MONEY

Prepared by Protasova Dariya, Gritskevich Ksenia

The purpose:

to inform people about the top five businesses,
that you can start with absolutely zero dollars

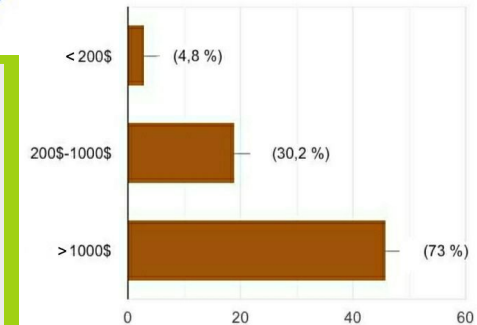

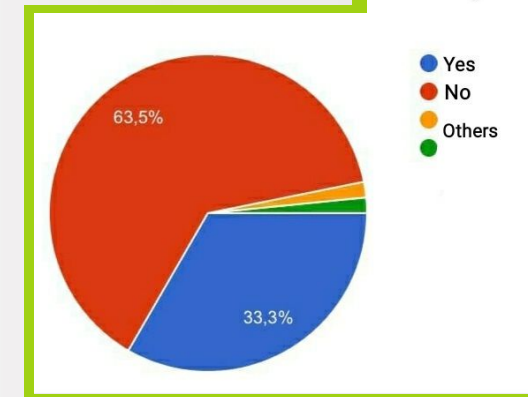

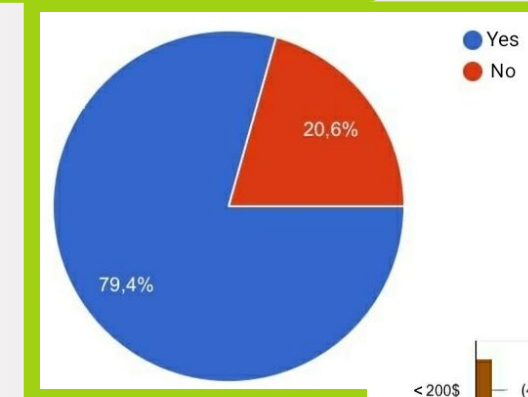

We've done a research on how much money is needed to start a business.

The results are as follows:

79.4% of the respondents have thought about starting their own business.

A 73% majority thinks that more than 1000\$ is a start-up cost and only 4,8% that less than 200\$ is.

It is evident that a large proportion of respondents(63,5%) think that it's impossible to start a business with zero dollars. Although the others (36,5%) find it possible. They consider these types of businesses concern advertising, IT, hand-made, cooking, crowdfunding, social services..

Start-up costs:

an Internet connection

a cellphone

a computer

laptop

Blogging

If you have the expertise or a passion or interest for a subject, you're ready to start making money with a blog...

write blog posts

links to other sites

repost news

post photos &
videos

do whatever you want

An Airbnb host

It is an online marketplace where guests go to find a bed to stay and hosts list their room/property for rent.

Profit depends on:

Affiliate Marketing

It is earning a commission by promoting other companies' products and services.

Freelance writing

It is the practice of writing for money while working on one's own and not being employed by a company or organization

Reselling products online

You're going to different places where you're looking to buy things below their market price and then you go on web-sites and try to sell them at their fair market price
