Let it Be

Country Roads, Take Me Home

by John Denver

Almost heaven, West Virginia,
Blue ridge mountain, Shenandoah river,
Life is old there, older than the trees,
Younger than the mountains,
Growin' like a breeze

Country roads, take me home
To the place I belong,
West Virginia,
Mountain mamma, take me home
Country roads

All my memories, gather round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine,
teardrop in my eye

Country roads, take me home
To the place I belong,
West Virginia,
Mountain mamma,
Take me home,
Country roads

I hear her voice
in the morning hour she calls me
Radio reminds me of my home far away
Driving down the road I get a feeling
that I should have been home
yesterday, yesterday

Country roads, take me home
To the place I belong,
West Virginia,
Mountain mamma, take me home
Country roads

Yesterday

by the Beatles

Yesterday, all my troubles seemed so far away

Now it looks as though they're here to stay

Oh, I believe in yesterday

Suddenly, I'm not half the man I used to be

There's a shadow hanging over me.

Oh, yesterday came suddenly

Why she had to go I don't know
she wouldn't say
I said something wrong,
now I long for yesterday

Yesterday, love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

Why she had to go I don't know

she wouldn't say

I said something wrong,

now I long for yesterday

Yesterday, love was such an easy game to play

Now I need a place to hide away

Oh, I believe in yesterday

Let It Be

by the Beatles

When I find myself in times of trouble

Mother Mary comes to me

Speaking words of wisdom, let it be

And in my hour of darkness

She is standing right in front of me

Speaking words of wisdom, let it be

Let it be, let it be

Let it be, let it be

Whisper words of wisdom, let it be

And when the broken-hearted people

Living in the world agree

There will be an answer, let it be

For though they may be parted

There is still a chance that they will see

There will be an answer, let it be

Let it be, let it be

Let it be, let it be

Yeah, there will be an answer, let it be

Let it be, let it be

Let it be, let it be

Whisper words of wisdom, let it be

And when the night is cloudy
There is still a light that shines on me
Shine on until tomorrow, let it be
I wake up to the sound of music,
Mother Mary comes to me
Speaking words of wisdom, let it be

Let it be, let it be

Let it be, let it be

Yeah, there will be an answer, let it be

Let it be, let it be

Let it be, let it be

Whisper words of wisdom, let it be

From Souvenirs to Souvenirs

by Demis Roussos

A lonely room and empty chair

Another day so hard to bear

The things around me that I see remind
me of

The past and how it all used to be

From souvenirs to more souvenirs I live

With days gone by

when our hearts had all to give

From souvenirs to more souvenirs I live

With dreams you left behind

I'll keep on turning in my mind

There'll never be another you
No one will share the worlds we knew
And now that loneliness has come
to take your place
I close my eyes and see your face

From souvenirs to more souvenirs I live

With days gone by

when our hearts had all to give

From souvenirs to more souvenirs I live

With dreams you left behind

I'll keep on turning in my mind

Have You Ever Seen The Rain

Someone told me long ago
There's a calm before the storm,
I know;
It's been comin' for some time.

When it's over, so they say,
It'll rain a sunny day,
I know;
Shinin' down like water.

I want to know, have you ever seen the rain

I want to know, have you ever seen the rain

Comin' down on a sunny day

Yesterday, and days before,

Sun is cold and rain is hard,

I know;

Been that way for all my time.

Till forever, on it goes
Through the circle, fast and slow,
I know;
It can't stop, I wonder.

I want to know, have you ever seen the rain
I want to know, have you ever seen the rain
Comin' down on a sunny day

Lord I lift your name on high

Lord I lift your name on high

Lord I love to sing your praises

I'm so glad you are in my life

I'm so glad you came to save us.

You came from heaven to earth, to show the way
From the earth to the cross, my debt to pay
From the cross to the grave, from the grave to the
sky
Lord I lift your name on high.

Lord I lift your name on high
Lord I love to sing your praises
I'm so glad you are in my life
I'm so glad you came to save us.

You came from heaven to earth, to show the way
From the earth to the cross, my debt to pay
From the cross to the grave, from the grave to the
sky
Lord I lift your name on high.

Let My people Go

When Israel was in Egypt land

Let My people go

Oppressed so hard they could not stand

Let My people go

Yes The Lord said, “Go down, Moses way down in
Egypt land

Tell all Pharaohs to let My people go”

So Moses went to Egypt land

Let My people go

He made all Pharaohs understand

Let My people go

Yes The Lord said, “Go down, Moses way down in
Egypt land

Tell all Pharaohs to let My people go”

Thus spoke the Lord, bold Moses said

Let My people go

“If not I'll smite, your firstborns dead”

Let My people go

Yes The Lord said, “Go down, Moses way down in
Egypt land

Tell all Pharaohs to let My people go”

My Lighthouse

In my wrestling and in my doubts

In my failures You won't walk out

Your great love will lead me through

You are the peace in my troubled sea

You are the peace in my troubled sea

In the silence, You won't let go
In my questions, Your truth will hold
Your great love will lead me through
You are the peace in my troubled sea
You are the peace in my troubled sea

My Lighthouse, my lighthouse
Shining in the darkness, I will follow You
My Lighthouse, my Lighthouse
I will trust the promise,
You will carry me safe to shore
Safe to shore x3

I won't fear what tomorrow brings
With each morning I'll rise and sing
My God's love will lead me through
You are the peace in my troubled sea
You are the peace in my troubled sea

My Lighthouse, my lighthouse
Shining in the darkness, I will follow You
My Lighthouse, my Lighthouse
I will trust the promise,
You will carry me safe to shore
Safe to shore x3

Fire before us, You're the brightest
You will lead us through the storms

x4

My Lighthouse, my lighthouse
Shining in the darkness, I will follow You
My Lighthouse, my Lighthouse
I will trust the promise,
You will carry me safe to shore
Safe to shore x3

As Tears Go By

It is the evening of the day
I sit and watch the children play
Smiling faces I can see
But not for me
I sit and watch
As tears go by

My riches can't buy everything
I want to hear the children sing
All I hear is the sound
Of rain falling on the ground
I sit and watch
As tears go by

It is the evening of the day
I sit and watch the children play
Doin' things I used to do
They think are new
I sit and watch
As tears go by

Angie

Angie, Angie,

when will those clouds all disappear?

Angie, Angie, where will it lead us from here?

With no loving in our souls

and no money in our coats

You can't say we're satisfied

But Angie, Angie, you can't say we never tried
Angie, you're beautiful,
but ain't it time we said good-bye?
Angie, I still love you,
remember all those nights we cried?

All the dreams we held so close
seemed to all go up in smoke
Let me whisper in your ear:

"Angie, Angie, where will it lead us from here?"

Oh, Angie, don't you weep,
all your kisses still taste sweet
I hate that sadness in your eyes

But Angie, Angie, ain't it time we said good-bye?

With no loving in our souls
and no money in our coats
You can't say we're satisfied
But Angie, I still love you, baby
Ev'rywhere I look I see your eyes

There ain't a woman that comes close to you

Come on Baby, dry your eyes

But Angie, Angie, ain't it good to be alive?

Angie, Angie, they can't say we never tried

Jingle Bells

Oh jingle bells, jingle bells

Jingle all the way!

Oh what fun it is to ride

In a one horse open sleigh, Hey!

Jingle bells, jingle bells

Jingle all the way!

Oh what fun it is to ride

In a one horse open sleigh

Dashing through the snow,
In a one horse open sleigh
Over the fields we go
Laughing all the way.
Bells on bob tail ring
Making spirits bright
What fun it is to laugh and sing
A sleighing song tonight.

Oh jingle bells, jingle bells

Jingle all the way!

Oh what fun it is to ride

In a one horse open sleigh, Hey!

Jingle bells, jingle bells

Jingle all the way!

Oh what fun it is to ride

In a one horse open sleigh

A day or two ago
I thought I'd take a ride
And soon Miss Fannie Bright
Was seated by my side
The horse was lean and lank
Misfortune seemed his lot
It got into a drifted bank
And then we got upshot

Oh jingle bells, jingle bells

Jingle all the way!

Oh what fun it is to ride

In a one horse open sleigh, Hey!

Jingle bells, jingle bells

Jingle all the way!

Oh what fun it is to ride

In a one horse open sleigh

It's Christmas

Away in a manger

No crib for a bed

The little Lord Jesus

Laid down His sweet head,

The stars in the sky

Looked down where He lay

The little Lord Jesus

Asleep on the hay

The cattle are lowing,
the baby awakes
But little Lord Jesus,
no crying He makes,
I love Thee, Lord Jesus!
Look down from the sky
and stay by my cradle
'til morning is nigh

It's Christmas!

The angels are singing
And I know the reason,
The Savior is born.

It's Christmas!

The bells are ringing
And I feel like shouting
Joy to the world!

Be near me, Lord Jesus
I ask Thee to stay
Close by me forever
and love me I pray
Bless all the dear children
in Thy tender care
And fit us for heaven
To live with Thee there

Chorus

It's Christmas!

The angels are singing
And I know the reason,
The Savior is born.

It's Christmas!

The bells are ringing
And I feel like shouting
Joy to the world!

Go tell it on the mountain,
Over the hills and everywhere!
Go, tell it on the mountain
That Jesus Christ is born!

Worship His Holy name.

Sing like never before,

Oh my soul.

I'll worship Your Holy name.

And on that day
When my strength is failing
The end draws near
And my time has come
Still my soul will
Sing Your praise unending
Ten thousand years
And then forevermore
Forevermore

Oh my soul.

Worship His Holy name.

Sing like never before,

Oh my soul.

I'll worship Your Holy name.

Sing

Baby, you've been going so crazy
Lately, nothing seems to be going right
Solo, why do you have to get so low

You're so...

You've been waiting in the sun too long

if you sing, sing, sing, sing, sing, sing
For the love you bring won't mean a thing
Unless you sing, sing, sing, sing

Caught her, crying on your shoulder
Hold her, and tell her everything's gonna be fine
Surely, you've been going to early
Hurry, cause no one's gonna be stopped

if you sing, sing, sing, sing, sing, sing
For the love you bring won't mean a thing
Unless you sing, sing, sing, sing

Baby, there's something going on today

But I say nothing, nothing, nothing,

Nothing, nothing, nothing, nothing

if you sing, sing, sing, sing, sing, sing

For the love you bring won't mean a thing

Unless you sing, sing, sing, sing

Blue Suede Shoes

Well, it's one for the money,
Two for the show,
Three to get ready,
Now go, cat, go.

But don't you step on my blue suede shoes.
You can do anything but lay off of my Blue suede
shoes.

Well, you can knock me down,
Step in my face,
Slander my name
All over the place.

Do anything that you want to do, but uh-uh,
Honey, lay off of my shoes

Don't you step on my Blue suede shoes.

You can do anything but lay off of my blue suede
shoes.

You can burn my house,
Steal my car,
Drink my liquor
From an old fruit jar.

Do anything that you want to do, but uh-uh,
Honey, lay off of my shoes

Don't you step on my blue suede shoes.

You can do anything but lay off of my blue suede
shoes.

Well, it's one for the money,

Maybe I, Maybe You

Maybe I, maybe you

Can make a change to the world

We're reaching out for a soul

That's kind of lost in the dark

Maybe I, maybe you

Can find the key to the stars

To catch the spirit of hope

To save one hopeless heart

You look up to the sky
With all those questions in mind
All you need is to hear
The voice of your heart

In a world full of pain
Someone's calling your name
Why don't we make it true
And maybe I, maybe you
And maybe I, maybe you
And maybe I, maybe you

Maybe I, maybe you
Are just dreaming sometimes
But the world would be cold
Without dreamers like you

Maybe I, maybe you
Are just soldiers of love
Born to carry the flame
Bringin' light to the dark

You look up to the sky
With all those questions in mind
All you need is to hear
The voice of your heart

In a world full of pain
Someone's calling your name
Why don't we make it true
Maybe I, maybe you
Maybe I, maybe you
Maybe I, maybe you

Still Loving You

Time, it needs time

To win back your love again

I will be there, I will be there

Love, only love

Can bring back your love someday

I will be there, I will be there

I'll fight, babe, I'll fight
To win back your love again
I will be there, I will be there
Love, only love
Can break down the wall someday
I will be there, I will be there

If we'd go again
All the way from the start
I would try to change
The things that killed our love
Your pride has built a wall, so strong
That I can't get through
Is there really no chance
To start once again
I'm loving you

Try, baby try
To trust in my love again
I will be there, I will be there
Love, our love
Just shouldn't be thrown away
I will be there, I will be there

If we'd go again
All the way from the start
I would try to change
The things that killed our love
Your pride has built a wall, so strong
That I can't get through
Is there really no chance
To start once again

If we'd go again
All the way from the start
I would try to change
The things that killed our love
Yes, I've hurt your pride, and I know
What you've been through
You should give me a chance
This can't be the end
I'm still loving you
I'm still loving you,
