

# Викторина «Знаешь ли ты деревья»

A close-up photograph of oak leaves and acorns. The leaves are green with prominent veins and characteristic lobed edges. Several acorns are visible, some with their caps on, showing a mix of green and brown colors. The background is a soft, out-of-focus green.

**Сосна прекрасно очищает воздух от вредных микробов, делает его сухим и целебным.**

A close-up photograph of a pine branch. The branch is covered in vibrant green, needle-like leaves that are arranged in clusters. Several dark brown, woody pine cones are attached to the branch, showing their characteristic scaly texture. The background is a soft, out-of-focus green, suggesting a natural outdoor setting.
