

POSHLOYA  
MOLLY

KAZANINA V. AND PAHORUKOV

# «Poshlaya Molly»

**The youth group from Ukraine “Poshlaya Molly” for a year soared complete obscurity to the top of popularity. Without participation in a TV show, without promotion by famous producers, without financial injections, the band gathers thousands of viewers in concert halls in Ukraine and Russia. And this is not a fleeting success. The style in which the band plays is called indie rock, original pop rock, a mixture of rap, rock and electric music**

---

# “Kirill Bledny”

**Kirill Timoshenko, known as Kirill Bledny, the founder of the band, was born in Zmeiv, Ukraine on March 31, 1997. The band was formed in February 2016. Kirill listened to a variety of music, not always remembering the names of groups and musicians. Therefore, now in his work, fans find references to songs of various genres.**

# “Molly This...”

- **Both the music and the lyrics for the band "Poshlaya Molly" Kirill wrote himself. It would be more accurate to say that "Poshlaya Molly" was Kirill - only when the band was fiers inviter to a live performance, he invited the musicians. Subsequently, their compositions changed several times.**

# “First Song”

**On February 14, 2016, Kirill posted on the internet the first song "Your Sister's Favorite Song", which quickly became a hit. The second single, released on the court of users of "VKontakte", bore the mysterious mane "TMSTS". The abbreviation stands for in the text: "Your little sister is so-as-so". Funny songs about eternal teenage problems "hooked" listeners.**

# “Difficulties”

**"Poshlaya Molly", led by Kirill Bledny, continues to delight fans with new songs. In early 2020, a new mini-album, called "Paycheck", was released. The artist admits that it was much more difficult to finish writing the material for the record than usual, which took a year.**

# “New Songs”

**Due to the tight schedule, it was not possible to finish the songs that were started, and only after a while, taking himself in hand, the songs had to be recorded first in Kiev, then in Kaliningrad. And then the team went to Poland, where they created the last songs.**
