

**Добрый день,
ребята!**

**Я приглашаю вас на
интересное занятие!**

*Совместный труд мужчин и женщин – это огромный шаг вперед, но вместе с тем и огромная проблема, требующая решения.
Дж.Грэй*

МУЖЧИНЫ

This image shows a man in a white shirt writing on a blackboard filled with scientific diagrams and equations. The blackboard content is organized as follows:

- Top Left:** A diagram of a triangle with vertices A, B, and C, and a spherical cap on top. Labels include "spherical angle" and "figure 7".
- Top Center:** A timeline titled "thumbprint of Galileo discovered hundreds of years back" with a shaded region and the chemical formula $C_4H_9NO_2$.
- Top Right:** A diagram of a celestial body with orbiting satellites, labeled "CENTER OF THE UNIVERSE 20" and "fig 2".
- Middle Center:** A large circular genetic code wheel. The outer ring lists amino acids: Phe, Leu, Ser, Tyr, Cys, Trp, His, Pro, Asp, Glu, Val, Arg, Ser, Lys, Asn, Thr, Ile, Met, Pyl, Cys, Arg, Ser, Lys, Asn, Thr, Ile, Met, Pyl. The inner rings show codons (G, U, A, C) and anticodons (C, U, A, G).
- Chemical Structures:** Numerous amino acids are drawn with their full structural formulas, including:
 - serine ($C_3H_7NO_3$)
 - phenylalanine ($C_9H_9NO_2$)
 - leucine ($C_6H_{13}NO_2$)
 - glutamic acid ($C_5H_9NO_4$)
 - aspartic acid ($C_4H_7NO_4$)
 - lysine ($C_6H_{11}N_3O_2$)
 - histidine ($C_6H_9N_3$)
 - glutamine ($C_5H_{10}N_2O_2$)
 - tyrosine ($C_9H_9NO_3$)
 - tryptophan ($C_{11}H_{12}N_2O_2$)
- Middle Right:** Calculations involving limits:

$$\lim_{x \rightarrow 0} \log_a(x+h) = \lim_{x \rightarrow 0} \frac{1}{\log_a x} \left(1 + \frac{h}{x}\right)$$

$$= \lim_{x \rightarrow 0} \left(\frac{1}{x}\right) = A \frac{1}{2} [2Ag]$$
- Bottom Right:** A box containing mathematical formulas:

$$\sum_{i=1}^n a_i v_i(t) = \sum_{i=1}^n a_i v_i(t)$$

$$\Delta f = f(v_1 + a_1) - f(v_1)$$

$$a = \frac{1}{2} [4(1) - 4(1)]$$
- Bottom Left:** A diagram of a DNA double helix and a pie chart labeled "DNA".
- Bottom Center:** The name "MARTIN" is written vertically.
- Bottom Right:** A circular diagram with the formula $x = \frac{1}{2} \sqrt{A \cdot C}$.
