- 

# ***METHODS OF THE DECISION.***

- Search of information
  - Reading and systematization of information on the theme
  - Questionnaires
  - Analyze
- 

# INTRODUCTION

I was born in autumn of 1999. The weather was bad. It was very cold, windy and snowy. But on the twenty - fifth of November, the day when I was born, the weather was wonderful. It was sunny. Nature was happy that I was born. It seems to me that I'm very serious and industrious. That was why I decided to explore the day of my birthday in history. I was interested following questions:

- What events had happened at the date of my birth?
- Who of famous people was born on the 20th of September?
- Do My classmates want to know what was happening in their birthdays?

I search for the answers on these questions.

For this aim:

- I take questionnaires from my classmates who were born in 1996;
- Analysis answers are reflected in different diagrams;

-
