

A vertical trail of black paw prints on a white background. The prints are arranged in a slightly wavy line, starting from the top left and moving towards the bottom right. Each print is a solid black silhouette of a paw with four distinct toes and a larger, rounded pad at the base. The prints are spaced out, with some appearing slightly larger or more prominent than others. The overall effect is a simple, clean graphic that suggests a path or a journey.

Мир животных

Египетские богини.

Бастет.

Люди дружат с животными много лет

От тигра к кошке

От крысы к хомяку

Для кошек и хомяков есть специальная еда

Дом для кошки

Столовая для кошек

Домик для хомяка
