Text

The book is a wise teacher, and sincere friend. In books we find the answers to many questions troubling us in life. Many more beautiful and lofty words to say about books and their role in human life. I want to tell you about my favorite book. This is the story of Nikolai Gogol's "Taras Bulba". Through this book I learned a lot from the history of the Ukrainian people. Hang told me of a sincere wise man, and also about betrayal, meanness. I will tell you a little about the book and the plot.

ТАРАС БУЛЬБА

"Taras Bulba"

In the book "Taras Bulba" tells of free Cossacks, Zaporozhye Sich, about Taras and his two sons Ostap and Andrei.

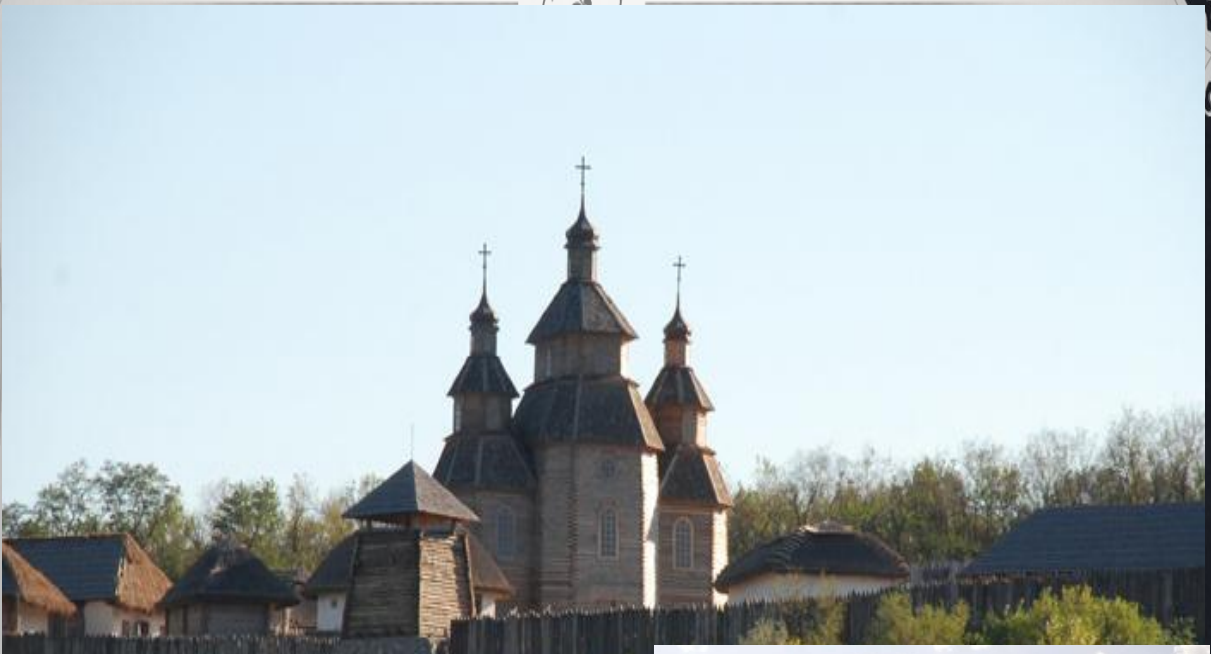

Ostap

Andrei

The events unfold very rapidly After his
sons arrived from the Kiev Academy
Taras sent with them on Zaporozska
Sich.

Further events are gaining momentum and through love Andrew goes to the side of the enemy.

Events unfolded quickly but to summarize this book is not as interesting as the read itself. Read more books, because they develop memory.
