# Проверь себя

# Задача 15

Из всех 12 фигур  
пентамино сложите  
прямоугольник  $6 \times 10$ .  
Несимметричные куски  
разрешается  
переворачивать.

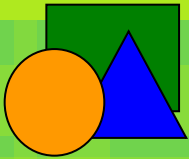

# Проверь себя

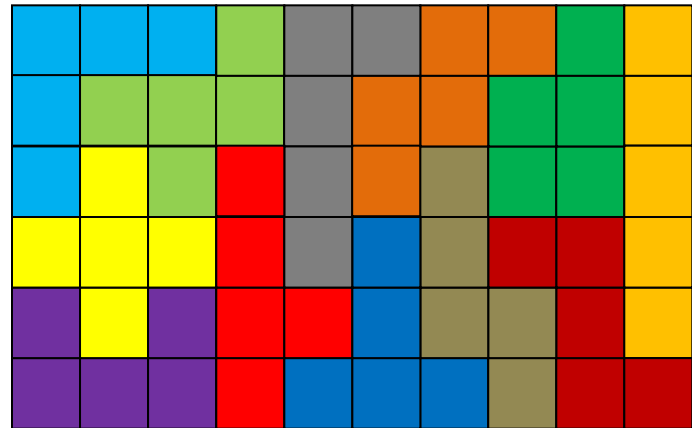

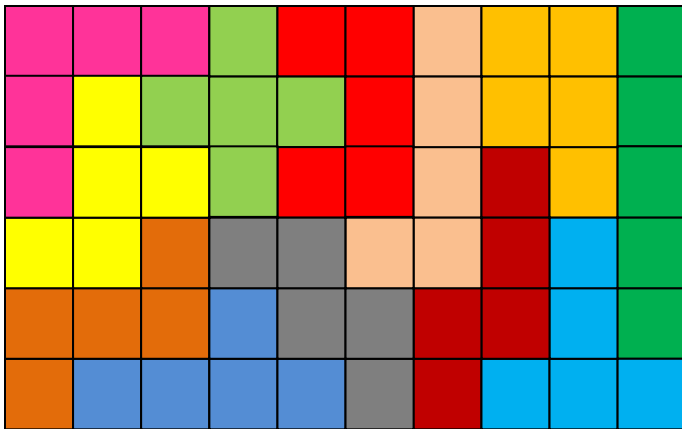

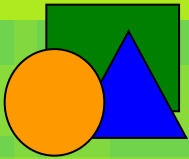

# Задача 16

Сложите из двенадцати фигур пентамино прямоугольник  $6 \times 10$ , причем так, чтобы каждый элемент касался какой-нибудь стороны этого прямоугольника.

# Проверь себя

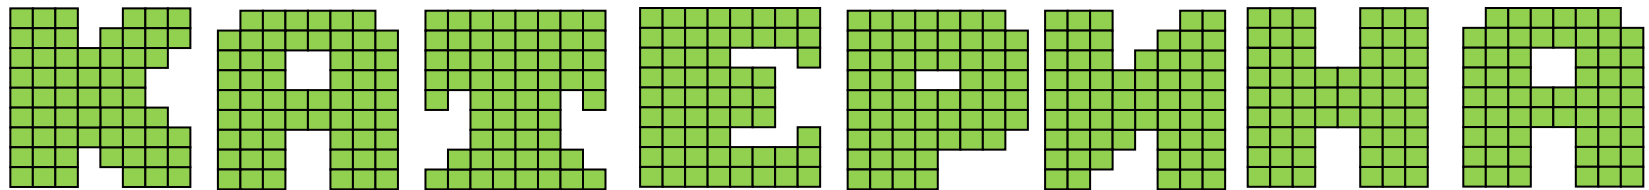

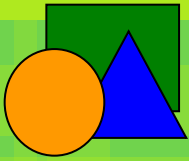

# Задача 17

Напиши свое имя с помощью фигур пентамино.

Например:

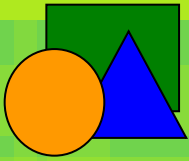

# Попробуй сам

Придумайте и сложите из фигурок пентамино какую-нибудь свою картинку.  
Например, соберите вместе с одноклассниками целый зоопарк.

Творите и не  
останавливайтесь на  
достигнутом!  
Удачи и успехов во всех  
ваших творческих  
начинаниях!
