

**StarCode**  
INVENTORY & POS SOLUTIONS

**InveGix**  
TECHNOLOGIES

No matter if the business you own is small or large, you still need to make sure your suppliers, products and purchases are kept in order, lest you end up losing money without even knowing why.

StarCode is a Point of Sale system integrated with Inventory Management. It is the best way to run a single or multiple stores. Whatever you are selling it has never been easier to sell your products.
