ДИЗАЙН

«Дизайн – это искусство возможного. Дизайн находит возможности для мирного сосуществования противоположностей – красоты и пользы.» Дан Райзингер

ДИЗАЙН КАК ИСКУССТВО

A photograph of two women in a modern, industrial-style interior. The woman on the left has short brown hair and is wearing a brown and white striped sweater, carrying a white tote bag. The woman on the right has dark curly hair and is wearing a black turtleneck. They are looking at each other and talking. The background features a white wall with track lighting and dark concrete pillars.
