

The house of my dream

Home is the place where we were in a hurry
to come back. Only there we truly feel the
warmth, care and love. Everyone wants to
have home and
I also want.

The house of my dream is a studio apartment on the top floor of a

THERE WILL BE ACCESS TO AN OPEN
ROOF WITH A BEAUTIFUL GARDEN, A
SWIMMING POOL, A LARGE SOFA AND
COFFEE TABLE. IN THIS PLACE I WILL

An integral part of my house is the windows. I wish that they were wide because I like the light of day. I also want to watch the wonderful view from the window on the night city.

I really like the workspace, it's important for me so I want that my workspace will be perfect. Only there I can focus on my work and do this well. On the walls will be motivational posters which will help me found inspiration.

Lounge is the room of cozy atmosphere where my family and friends will be relax and enjoy communication with each other.

There will be the big soft couches, many cushions, TV, stereo system, many lights and the deep-piled carpet. This room will be made for fun and parties.

I like sleep and I want very big luxury bed. In this room will be many candles, books and paintings.

I want a little comfortable kitchen. There will be modern devices which will help me to get delicious food because I don't like cook. Also there will be many plants and lamps. This'll create special atmosphere of home

Bathroom...mmm... is the most favorite room on the world for me. Here I can actually relax, enjoy the bubble water and go away from my thoughts and problems.

The image shows three small, white, rounded ceramic pots arranged in a row. Each pot contains a different herb. The pot on the left is labeled 'parsley' and contains a bunch of flat-leafed parsley. The middle pot is labeled 'basil' and contains a basil plant with its characteristic opposite, rounded leaves. The pot on the right is labeled 'chives' and contains a bunch of green chives. A semi-transparent purple banner with the text 'Thank you for the attention' is overlaid across the middle of the image.
