# CANADA

**Canada** is a sovereign state in the northern part of North America. Its ten provinces and three territories extend from the Atlantic to the Pacific and northward into the Arctic Ocean, covering 9.98 million square kilometres, making it the world's second-largest country by total area and the fourth-largest country by land area. Canada's border with the United States is the world's longest land border. Canada is sparsely populated, the majority of its land territory being dominated by forest and tundra and the Rocky Mountains; about four-fifths of the country's population of 35 million people live near the southern border.

Space of natural beauty of Canada, with mountains and glaciers, lonely lakes and the forests, have almost not equal around the world. Canada was repeatedly estimated as one of the countries of the world which are most acceptable for life.

## Interesting sights

Natural beauty of the country, with a set of natural miracles, is indisputable, but Canada also has interesting man-made sights.

They include architectural feats, such as Si-En Tauer; historical places as Quebec fortress and outstanding cultural sights which include the museums and galleries of a world class.

# Wonderful nature

The few countries can brag of numbers and the range of natural miracles as Canada. To it's her most spectacular and popular natural sights referred: *Canadian Rocky Mountain Parks World Heritage Site, Niagara Falls, Dinosaur Provincial Park, Nahanni National Park Reserve and many other picturesque places.*

# Availability

Canada is the available country for rest. Historically Canadian dollar costs less, than the USA, thus, the prices in there in general reasonable for travelers. In 2005 the Canadian cities were recognized as one among the most available. Even the most expensive Canadian city of Toronto takes only the 82 place in a rating of the most expensive cities of the world, and Ottawa is allocated as the most available city of North America.

# CANADA

As an edition to the various cities, natural environment of Canada is one of the most beautiful in the world. Go to Canada despite of your preferences and it won't dissapoint you.
