Presentation of AVICII

- Swedish DJ, singer and music producer, best known by his stage name Avicii
- Avicii - real name Tim Bergling (Tim Berling), was born on September 8, 1989 in Stockholm, Sweden. Once, when there was a need for Tim to register the page in the social network Myspace, one of his friends shared an interesting story about Buddhism, in which the word sounded Avicii. Since many of the names were already occupied, the Swede simply chose Avicii.

Childhood in the world of music

Avicii was the youngest child in the family. According to his own statement, he was always surrounded by different tunes - brothers and sisters loved rock music (hard, glam and other areas). Father listened to R & B and Ray Charles. And the boy is absorbed in himself and raised his musical taste.

A hand holding a smartphone. The screen shows a black and white photograph of a young boy with a wide smile. The name 'AVICII' is printed in white capital letters over the bottom right of the photo on the screen.

AVICII

Popularity

- Avicii really blew the dancefloors in 2010, when burst onto the stage like a musical tornado. His singles “ **Seek Bromance** ”, “ **My Feelings for You** ” and “ **Levels** ” suddenly made popular musician and ... immediately paid. At the end of 2013 Avicii was already in the top ten list of the most expensive DJs of the world, who published the magazine Forbes. The annual income of the talented DJ has been calculated by millions of dollars.
- With Avicii, preferring soft-rock motifs, gladly cooperate, many international stars, including Madonna, Lenny Kravitz, Tiesto. His music is played on the radio, its tons of Internet users download as charismatic Avicii original and no one else like. But it aspire to be like very many. His music of love, live with her, and from her enjoy.

HIS FIRST HITS:

Epic hit called "I Could Be The One", written together with Avicii Nicky Romero, and was released on the prestigious English label Positiva, immediately came to the liking you like this to the public in different countries. In England, he won first place in the list of the official dance charts. "I Could Be The One" was the best selling single of 2013, as well as country-style track "Wake Me Up". And an absolute super hit - 2014 was recognized as "Hey Brother".

THE WAKE ME UP!

Hit "Wake Me Up" is recognized as the service Shazam the most popular track in the history of this mobile application, combined with the search engine. Features easily recognize unknown composition, even in small fragments. Over the year and a half "Wake Me Up" was requested by users of the system of more than 19 million.

He's the most brilliant concerts. He writes music in the style of EDM(Electronic Dance Music) Tim goes on tour all over the world and everywhere he was greeted very well, because it AVICII

IT'S ALL!
