Here are some photos:

Where do I live?

Hong Kong are divided into 18 districts, 4 on Hong Kong Island, 5 in Kowloon, and 9 in the New Territories-Kwai Chung.

My neighborhood

- There are three shopping centers near my home. There are also a lot of restaurant near my apartment. There are Japanese restaurants, western restaurants and some restaurants selling local food.
- There is also a big sports ground near my apartment that I can go downstairs to do sports during my free time.

My family

- My family consists of three people: my parents and me.
- We live in a small apartment.

Brief introduction of Hong Kong's educational system

- We start going to school at the age of six.*
- We start from the primary school, we study there for six years.*
- After that, we go to another school and start our secondary education, we study there for another six years.*
- At the end of secondary three(our third year in secondary school), we need to choose what subjects we are going to study in the next three years. We study Chinese, English, Mathematics, Liberal studies(we study about different topics about Hong Kong) and other three subjects that are chosen by ourselves, in the next three years.*
- Secondary students only go to school for half year, and they will need to attend a public exam, it decides whether you can go to universities or not.*

My school in Hong Kong

- I have just finished secondary three, that means I have already been studying in my secondary school for three years.
- My school is located at Shek Lei, it is also in the same district as my home, it takes around 30 minutes to go from my home to my school.
- My school is located on a small hill.

The background is split into two horizontal sections. The top section is teal with a fine, repeating pattern of small, light-colored lines. The bottom section is solid black. A white, irregularly shaped box is centered in the black section, containing the text.

That's the end of my presentation, thank you for listening.
