

# Presentation

Completed work Korotneva Daria

Let me introduce myself and tell you a few words about myself. My name is Korotneva Daria. I am typical a student. As for my interests, I am fond of economics. My weekdays are usually busy with studies and I must engage to become a good manager.

- My topic is «Crisis management organization».
- This topic is particularly currency at the present stage of economic development, due to the large number of insolvent enterprises and with an even greater number of enterprises that are in danger.

# Main points:

Tasks of crisis management:

managing the dynamics of the crisis, repayment of debts to creditors, prevent dangerous factors of crisis.

Crisis functions:

- pre-crisis management
- ways out of crisis
- making decisions

Problems of crisis management:  
problems of identifying pre-crisis situations  
problems management organization  
personnel management problems

# Conclusion

- The crisis management department is now an integral part of the company, since it ensures the stability of the functioning of any structure. Thus, it is safe to say that crisis management is one of the most important components of the functioning of an organization.
