# Let me not....( Sonnet 116)

**L**et me not to the marriage of true mindes  
Admit impediments, loue is not louie  
Which alters when it alteration findes,  
Or bends with the remouer to remoue.  
O no, it is an euer fixed marke  
That lockes on tempests and is neuer shaken;  
It is the star to euery wandering barke,  
Whose worths vnknowne, although his hight be taken.  
Lou's not Times foole, though rosie lips and cheeks  
Within his bending sickles compasse come,  
Loue alters not with his breese houres and weekes,  
But beares it out euen to the edge of doomes:  
If this be error and vpon me proued,  
I neuer writ, nor no man euer loued.

# "Kansas - Dust in the Wind"

- I close my eyes,  
Only for a moment, and the moment's  
gone  
All my dreams,  
Pass before my eyes, a curiosity

*Dust in the wind,  
All they are is dust in the wind*

- Don't hang on,  
Nothing lasts forever but the earth and sky  
It slips away,  
All your money won't another minute buy

***Dust in the wind,  
All we are is dust in the  
wind...***
