# My hobby Fishing

Fulfilled: student of group TO-15 Kalinichenko Vadim

### Fishing

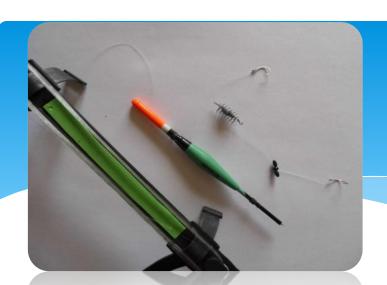

Fishing is the activity of angling for fish from a reservoir. Is divided into Amateur and sports. Unlike fishing, fishing is a hobby, form of recreation, tourism and sport.

## Fishing is the most fun and interesting to do!!! =)

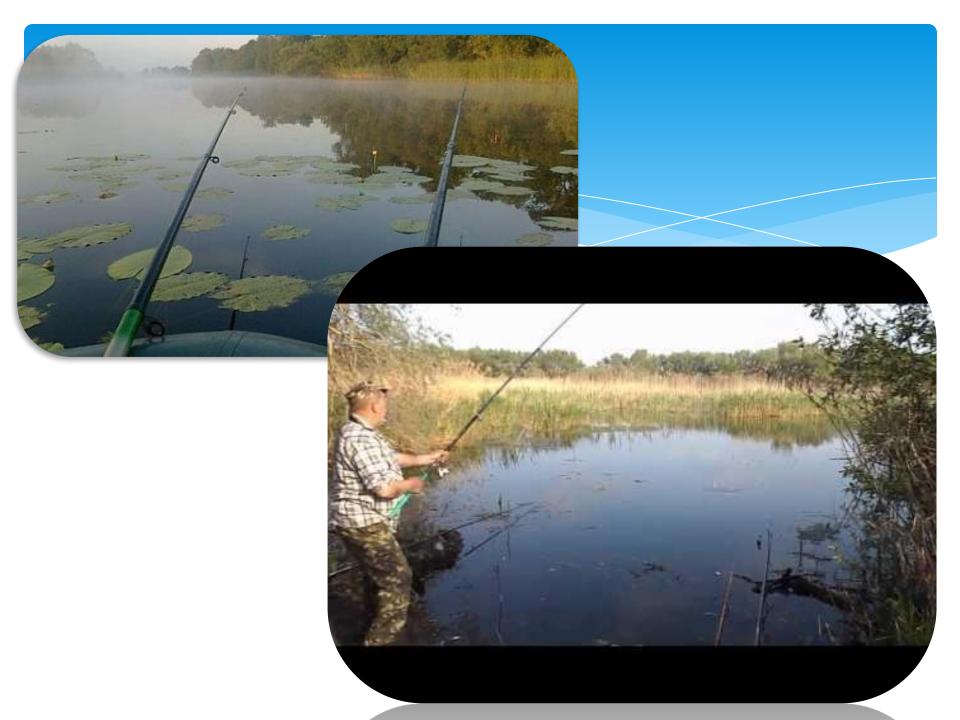

I enjoy float fishing and I love it. this is the best option for fishing on rivers.

#### Fishing with a float rod

- The rod length up to 7m. Requirement for it is: the tip needs to be flexible with pre-attached connector for attaching a fishing line.
- ☐ Floats. The universal is a float round, teardrop shape
- Need sinkers of different weights and shapes: olive,
   pellets for shipping of floats of different weights
- $\square$  Fishing line, fishing float swing rod is perfect  $\varnothing$  0.12 0.18 mm, can be supplied and  $\varnothing$  0.2 is the limit and with the use of a leash of smaller cross-section
- ☐ Hooks fishing
