

My sport idol Olga Korbut

Soviet gymnast, four-time Olympic champion, Honored Master of Sports of the USSR (1972). She has performed for the Armed Forces. I trained by Renald Knish.

Sport biography

Olga Korbut came to the gym in the second grade at the school in a circle gymnastics Yaroslav Ivanovich King in 1963. In 10 years, in 1965, I came to the group to Knyshev. The first big success came in 1970 - she became the champion of the USSR in the vault and entered the USSR national team. The first gymnast who was able to perform a somersault on the balance beam

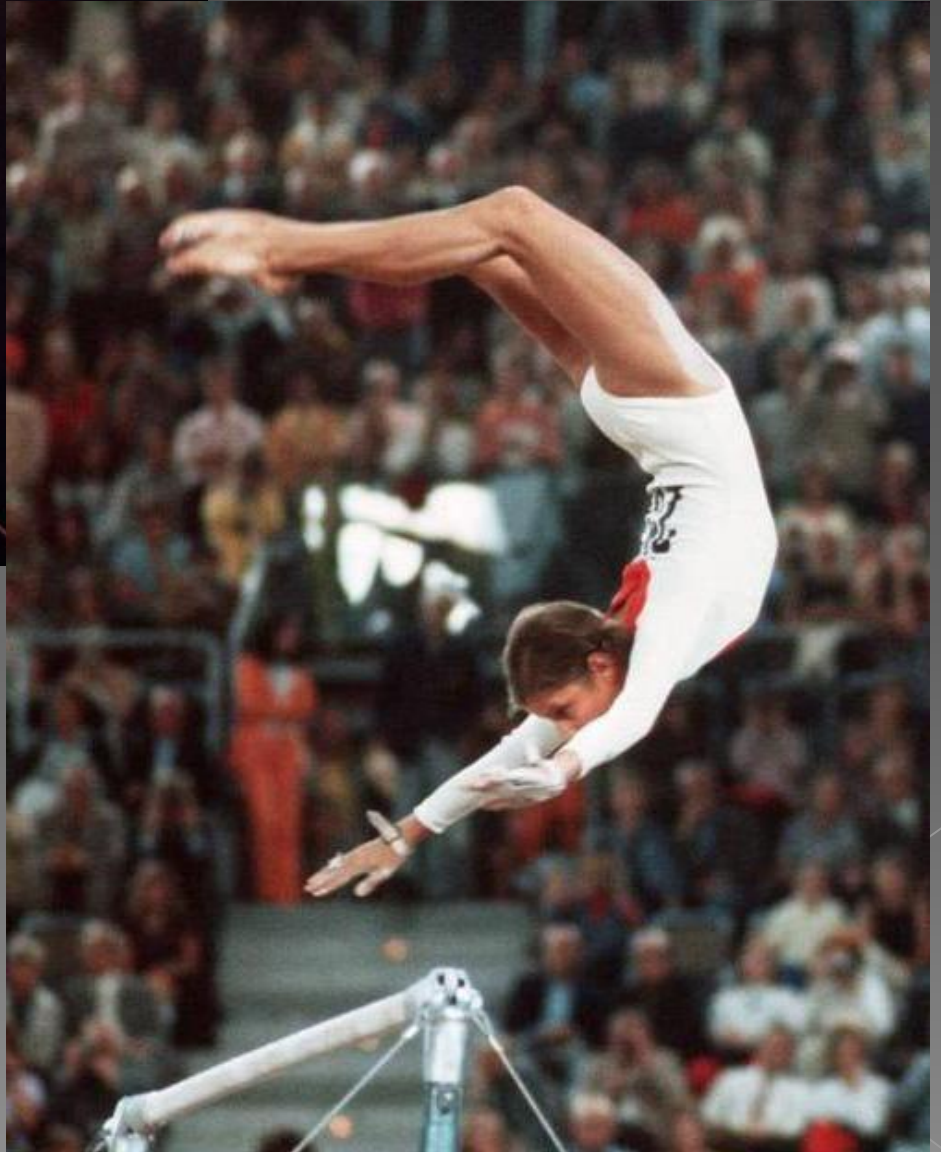

Olga Korbut came to the gym in the second grade at the school in a circle gymnastics Yaroslav Ivanovich King in 1963. In 10 years, in 1965, I came to the group to Knyshev. The first big success came in 1970 - she became the champion of the USSR in the vault and entered the USSR national team. The first gymnast who was able to perform a somersault on the balance beam

In the history of gymnastics was included opposition Turishcheva Ludmilla and Olga Korbut. Turishcheva embodied the old academic gymnastic school, while Korbut performed the risky elements. At the Olympics in Munich in 1972 Korbut demonstrated new gymnastic elements and has become a favorite of the audience sympathy. However, in a tough fight for the absolute superiority she lost Turishcheva.

In 1976, Olga became part of the USSR team at the Olympic Games in Montreal, winning the team gold and won a silver medal on the balance beam.

Since 1991 he has been living in the US
