

# English

as a global language

# Why do so many people learn and speak English?

- English is popular because it's easy: its grammar is simple and it has many words from other languages;
- English is the language most spoken around the world;
- It is the language of business as it is the language of America – a country with developed business, science and technology;
- English helps you to travel, communicate and make friends with people from other countries;

# Why do so many people learn and speak English?

- English helps us to work on computers well and surf the Internet;
- If you know English you can read English books and watch English films in the original;
- If you know English you can find a well-paid job in a foreign firm in your country (almost all business in Russia is international) or you can go to live and work abroad;
- If you know English you can watch international television networks and get the news from all over the world;
- English as any foreign language helps our brain to develop.
