*Day*

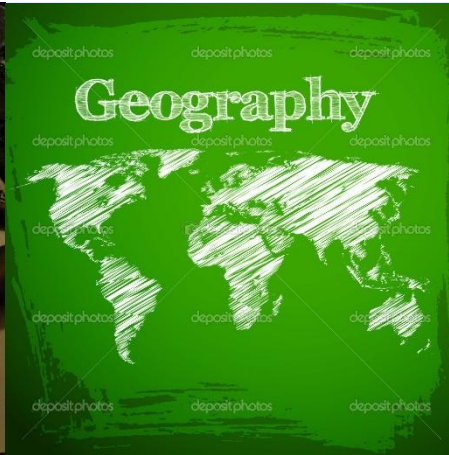

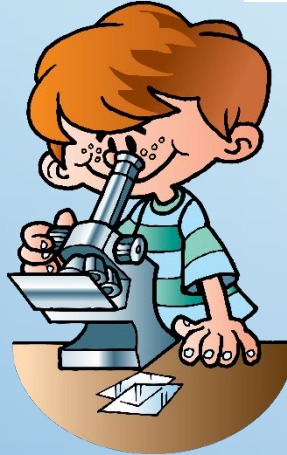

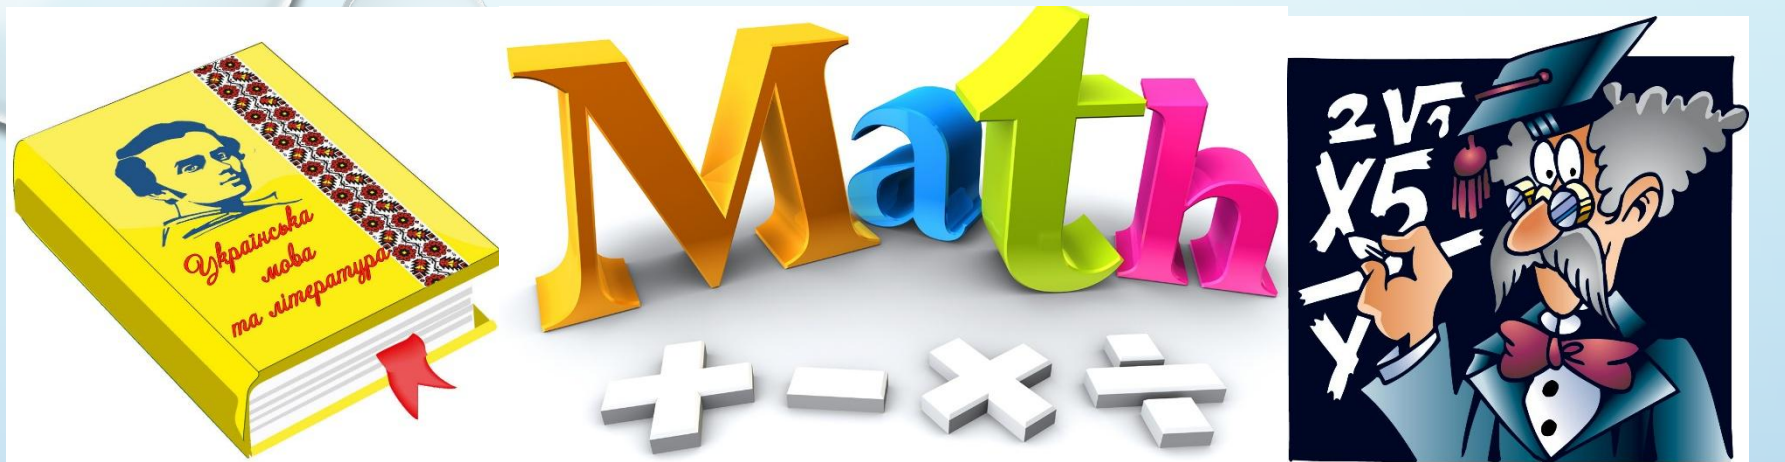

*I am Arsenii and I am 12 years old. I live with my loving parents and two my sisters.*

I have been studying at school 22 for 6 years. The school No 22 is situated in a very picturesque place and there are many interesting activities, so we have fun.

Math, Biology, Geography, Crafts, English, Ukrainian language are some of the main subjects, which we learn at school.

# WAKEUP

Every day I get up at 7 o'clock in the morning. I have breakfast with a cup of tea. I prefer omelette to cereal.

**TIME FOR LUNCH**

Before third lesson, I have lunch. Usually I prefer sandwiches or pizza. I come back home at 3 o'clock p.m. and have dinner. After the dinner, I do my homework and then go to musical school, tennis club or after school German courses.

When I come home my family have supper. For supper we usually have something like a puree or roasted fish or pizza and of course salad and bread.

As you see every day for me is filled and to the end of evening I get very tired. So I can read a little, have a bath and wish to my family good night!
