

A comparison of pill dispensers

- ❖ Pre-Organized Medication Pouches
- ❖ Managed by Your Local Pharmacy
- ❖ Fully Labeled In Date & Time Order
- ❖ Perfect for Home or On-The-Go

EZpill™ takes care of all the details of your **doctor's office, insurance and pharmacy**, and gives you a conveniently organized set of medication that you take **one pouch at a time, on schedule** -freeing you to focus on your life, not your medication.

- ✓ EZpill pouches are clearly marked with date and time when you need to take your pills
- ✓ EZpill coordinates all your **physicians, prescriptions and insurance information**.
- ✓ We review your **medication schedule & make adjustment** if your prescription has changed
- ✓ We **keep track of your current list of medication** by staying in contact with you and your **prescriber for the updates**.
- ✓ We manage and get authorizations for refills
- ✓ **No additional cost** for using EZpill
- ✓ **Your co-pays will stay the same** as it is at your current pharmacy.
- ✓ **Full medication list online** or on dispenser
- ✓ Free home delivery and monthly refills follow-up
- ✓ OTC ,vitamins and other pharmacy product
- ✓ 24/7 Support
- ✓ Transfer refills and medicine history
- ✓ Medication reminder
- ✓ Notifications and communications
- ✓ Dashboard

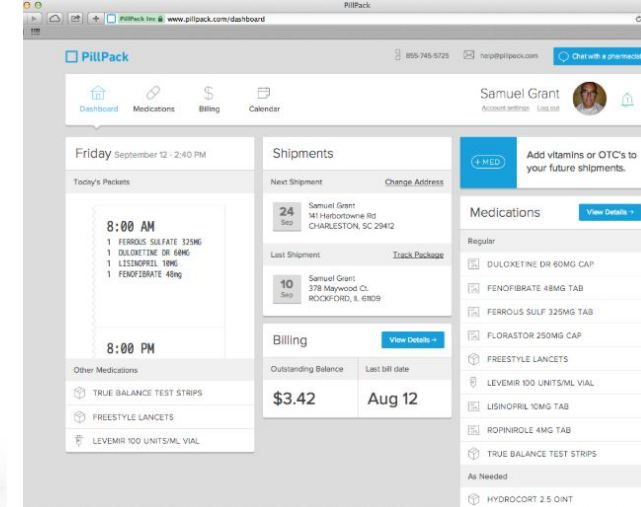

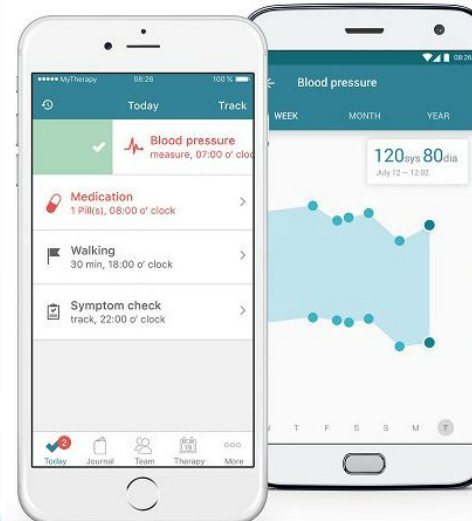

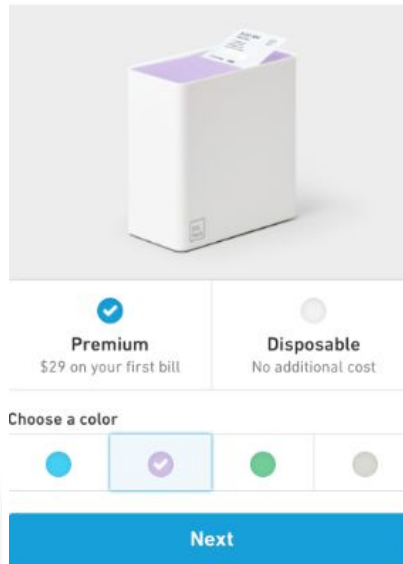

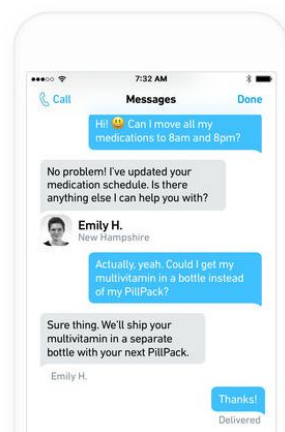

Pill Pack

Your medication, made easy

PillPack is a full-service pharmacy that sorts your medication by the dose and delivers to your door.

Talk to your pharmacist from your phone.

Never sort your medication.

We sort your medication by the dose into individual packets. **Update** your medication at any time.

Never wait in line at the pharmacy.

We **deliver directly to your door**, every month.

Pharmacy Items

You can easily **order or pause as-needed medication**, like creams, inhalers, and testing supplies.

24/7 Support via phone, text, e-mail, or live chat.

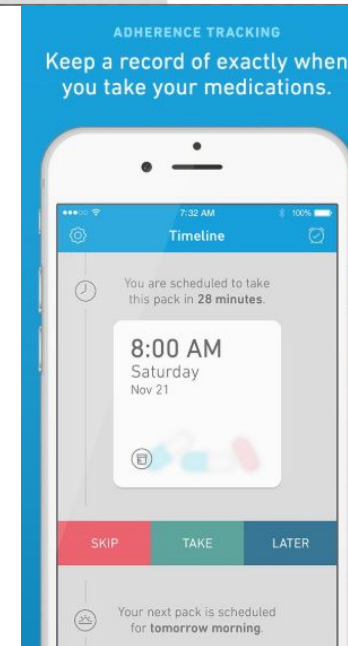

Check your bill, track shipments, and review your medication list in the dashboard.

As a customer, you are responsible for:

- ✓ Your Monthly Copay
Your insurance sets your prescription prices.
- ✓ Any Vitamins or OTC's
Medications not covered by insurance.

Features:

- ✓ Do a **holistic review** of your medication.
- ✓ Our medication, including vitamins and OTC's, sorted by the dose.
- ✓ We automatically work with your doctor and process your refills.
- ✓ We **regularly review** your medication schedule.
- ✓ We **manage your bills and claims** directly with your insurance.
- ✓ Travelling? **Our pharmacists will make sure you have enough medication when you're away.**
- ✓ We can ship it to you **overnight.**

Medication Management Made Simple. Just what the doctor ordered.

Your MedPack arrives ready to use based on your doctor's instructions
So you always take the right medication at the right time..

- ✓ Sort your medications by date and time of day, and the names of your medications.
- ✓ Transfer your existing prescriptions.
- ✓ Ship your medications to your door
- ✓ Manage your refills and renewals.
- ✓ Don't need insurance coverage to use Alliance Pharmacy, but we directly bill all major insurance providers.
- ✓ Free overnight express delivery or MedPack.

Transfer

Have your doctor fax us your new prescriptions. We'll transfer your existing prescriptions from your previous pharmacy.

[Our robotic dispensing technology](#) lets us spend more time helping patients and less time sorting pills.

Replenish

We'll [send you a refill reminder](#) before you run out, and [call your doctor](#) when your prescription needs to be renewed.

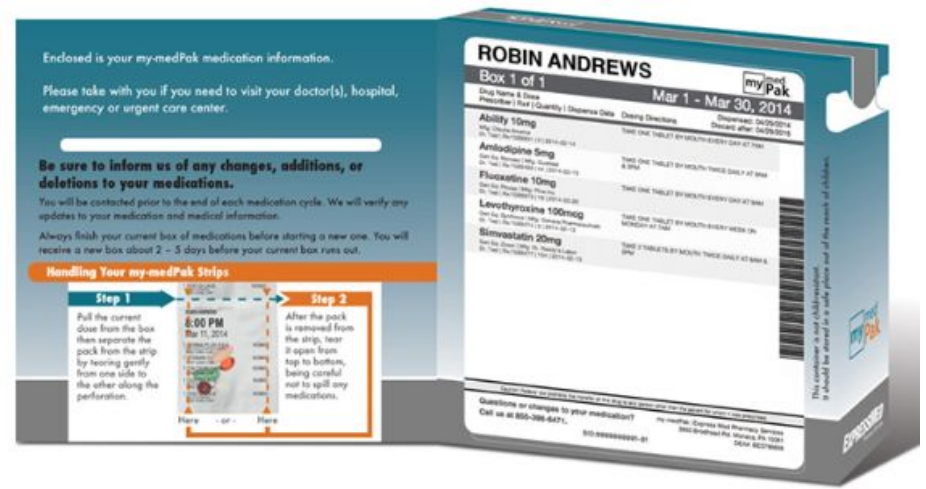

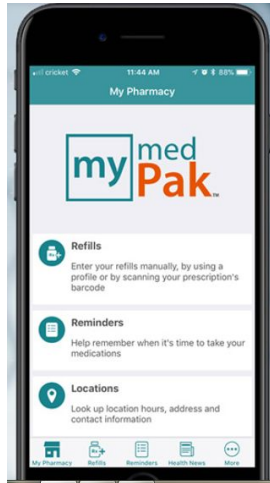

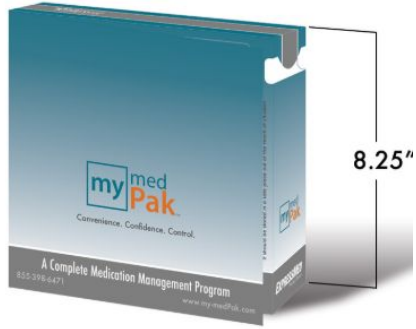

Convenience. Confidence. Control.

A complete pharmacy solution for you and your family.

You'll be able to take the correct medication at the right time. Every time!

Home Visit

A Care Team Member will schedule a time to visit your home. We always encourage your family, friends, and caregivers to join us to ensure everyone understands the program. During the visit, we'll gather all of the information we'll need to place you into our program.

Demographics and Medical Background

Medications Prescribed

Over-the-Counter Medications and Vitamins Used

We'll also use this time to answer any questions you may have.

Free Delivery

Each month you'll receive your medications directly to **your home or office** at no additional charge.

Assistance

We're available to **help every day, anytime.**

Physician Communication

We **keep your doctors informed** about what is happening with your medication therapy.

Each month a member of our Care Team will reach out to you to make sure things are okay and to answer any questions you may have along the way. Additionally, we'll keep in touch with your doctors to handle all of your refills and new prescriptions needed

Compliance Packaging

All of your medications are organized by the date and time you should take them. It's super easy!

Insurance Pays

There is **NO** additional cost for the my-medPak program, and **co-pays stay the same.** If you pay out of pocket, we will **attempt to match or beat the competitor's regular pricing.**

Our Care Team

Our team of pharmacists, certified technicians, and customer care **specialists are available 24/7** for any of your pharmacy-related questions or needs.

Automatic Refills

We take care of your refills every month and communicate with your doctors for any required authorizations.

Medication Synchronization

We match up all your medications' fill dates so they will all run out at the same time. This way you always have just the right supply.

Synchronize your Refills

Choose the date each month that is most convenient for your prescriptions to be filled. You will receive a phone call about a week before they are filled to check and see if there have been any medication changes.

Wait for Ready Notification

After your prescriptions are filled, we will contact you to let you know that your prescriptions are ready to be picked up at the Pharmacy.

Receive a Free Consultation

Each month, we will be available to meet with you to discuss any questions, problems, or concerns you may have about your health and medications.

Med-Fast Will Do the Rest

Before your next order, we'll check in with you to see if you have any medical changes and to confirm you're on schedule with your doses. When needed, we'll call your doctor for refills or work with your insurance company to make life easier for you.

Manage your health, without the headache.

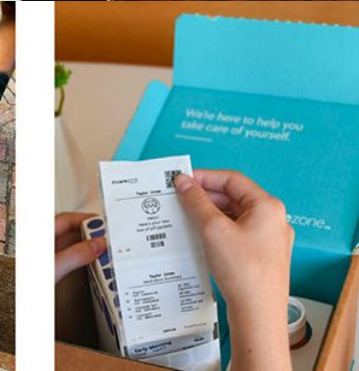

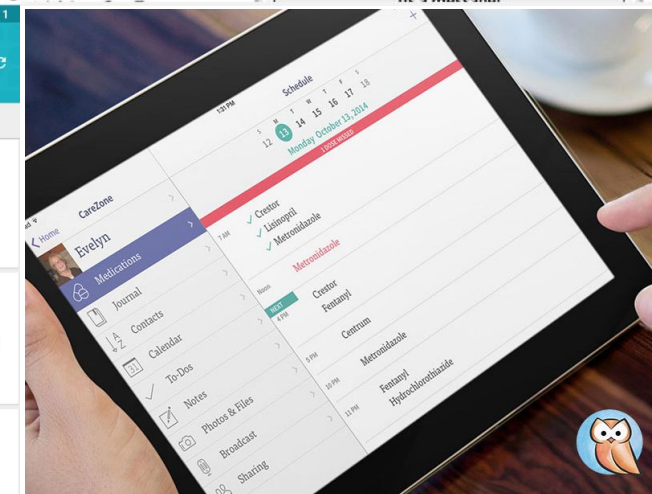

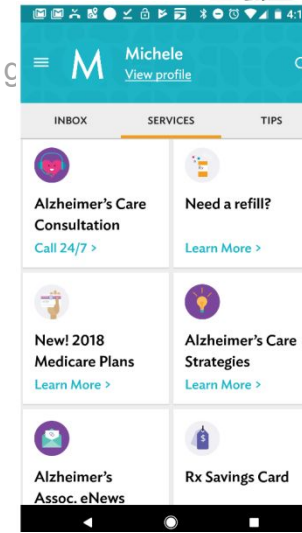

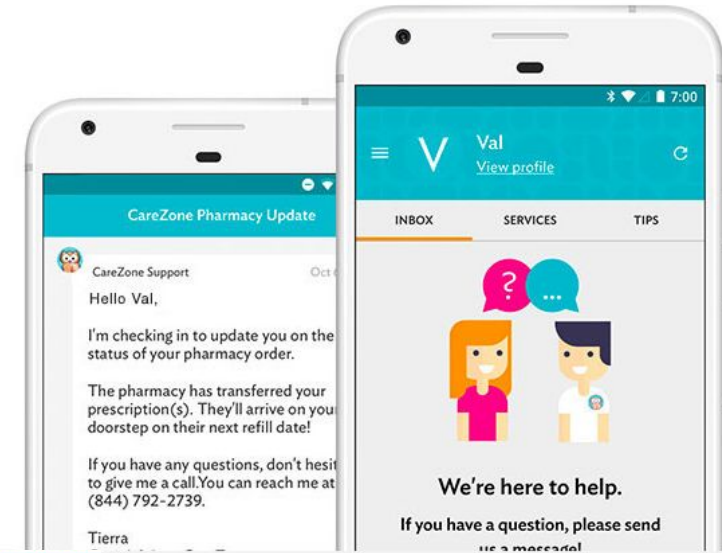

CareZone is a worry-free way to organize health information and access vital health services.

Take the hassle out of prescription refills

Get your medications sorted by dose and delivered to your door.

- ✓ Your pharmacy information is safely stored and synced in your CareZone app.
- ✓ You can access your current med list, request refills, and track shipments with a single tap.
- ✓ You just pay your standard copays and deductibles. All major insurance plans, including Medicare and Medicaid, are accepted.
- ✓ Free home Delivery
- ✓ \$5 Generic Meds
- ✓ Use your CareZone app to communicate with a pharmacist or get help from your personal Care Advisor

Reduce the stress of taking multiple medications.*
 Have all your meds organized into packs and labeled according to the date and time you should take them.

Personalized

Each order is custom-filled and individually labeled just for you with your medications name, description and dosage.

Organized by date and time

Each pack is clearly marked with the date, day of the week and simple icons telling you when to take your next dose — morning, midday, evening or bedtime.

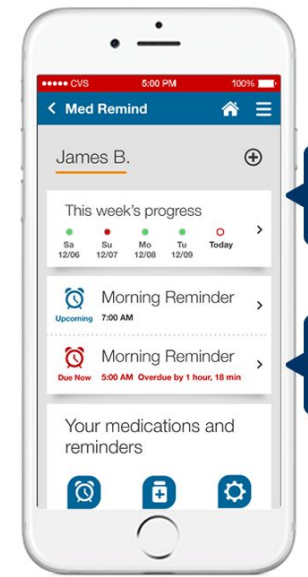

Timesaving

Your 30-day supply of multi-dose packs means fewer trips to the pharmacy and less time organizing multiple bottles and pill boxes.

Convenient

The dispenser box holds all your medications in one place. Work, travel or on the go, packs are easy to take along with you. You can have your 30-day supply sent to your home or to the pharmacy.

- ✓ Multi-dose packs are provided without additional cost. To align prescriptions on a 30-day cycle one or more additional co-pays may be required by your plan.
- ✓ Get text alerts when your prescriptions are ready for pickup and more
- ✓ Use [ScriptSync](#) to coordinate multiple refills and save trips.
- ✓ [Refill](#) in a snap online. Or put refills on automatic with [ReadyFill](#)
- ✓ Use our app to quickly [pick up and pay](#) for scripts. And much more.

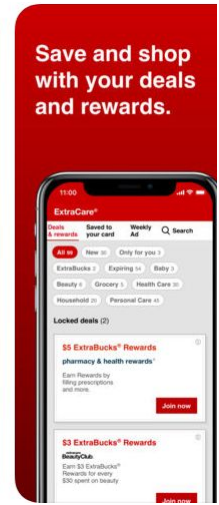

Track progress easily.

Respond to reminders quickly.

Pick up and check out with a quick scan.

Save and shop with your deals and rewards.

We Bring The Pharmacy To You!

No more trips to the pharmacy – never run out, never miss a dose!

- ✓ Clear, easy to read and open packets clearly labeled with all medication information
- ✓ Convenient dispenser box includes medication packets for the entire month
- ✓ **Reminders for inhalers, injectable and other medications**
- ✓ Perfect for travel - just tear off the packets and go!

- ✓ Synchronize and align ALL medications, OTC's & supplements
- ✓ Confidential enrollment is fast and easy – PMC transfers all prescriptions
- ✓ **Personal consultations** with our Nurse and/or Pharmacists who will provide expert advice
- ✓ Monthly follow-up **calls to confirm medication delivery schedule**

- ✓ Reduced burden upon caregivers – maintain independence
- ✓ Improved health & safety – fewer hospital visits and re-admissions
- ✓ No cost for the service and **free delivery**
- ✓ **ALL forms of Insurance accepted.** Including Workers' Comp, Auto claims, Veterans Administration Insurance and All Medicare Part D plans.

•Spend more time with family and friends, and less time with your PillBox!

A Simpler, Safer Way To Manage Multiple Daily Medications

ExactCare provides an easier and safer way. Your medications will be delivered to you each month in the ExactPack, which sorts and packages doses by day and time. You'll have the support of a team of clinical pharmacists and certified pharmacy technicians to answer your questions, review medication changes, manage your refills, discuss your health needs and more.

- ✓ A simpler, safer way to manage medications.
- ✓ No more sorting pills.
- ✓ Easy-to-use packaging.
- ✓ Home delivery at no cost to you.
- ✓ **Refills managed for you.**
- ✓ Your own pharmacy team.
- ✓ reviewing your medications
- ✓ Your pharmacy team works directly with your doctors and nurses to update your prescriptions and secure refills

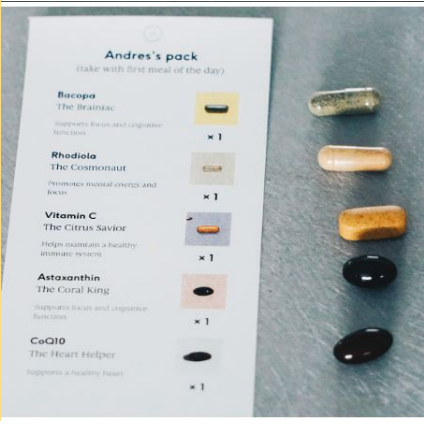

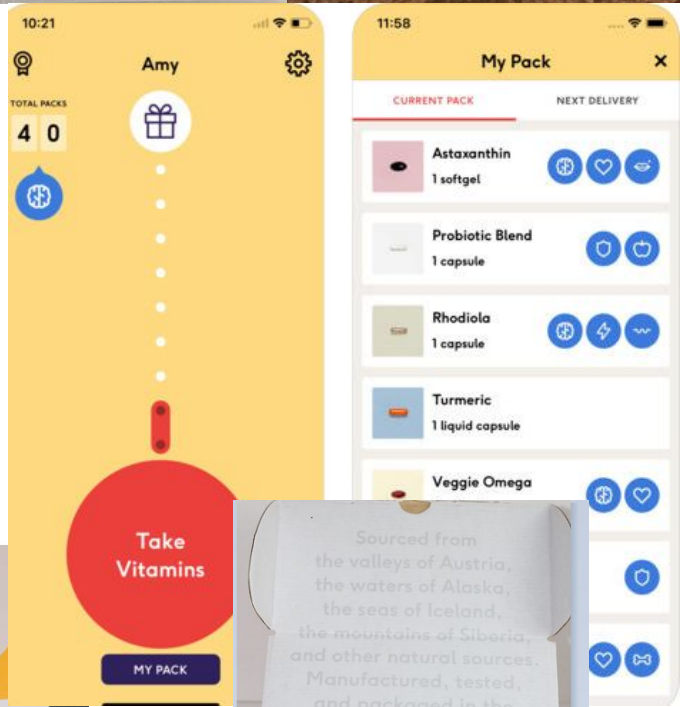

care/of

No overwhelming aisles of fine print. No commissioned sales clerks. We'll send you a box of personalized daily vitamin packs and Quick Sticks monthly. We focus relentlessly on three things:
Honest guidance.
Better ingredients.
Personalized for you.

Convenient daily vitamin packs and pocket-sized Quick Sticks can live with you however you want - in your kitchen, on your desk, in your suitcase, anywhere.

Download our iPhone App to unlock savings, set **reminders**, and learn how your vitamins boost your health along the way. We'll help you **build your habit** and keep it up.

✓ You choose the vitamins and we place all of them into daily packs that are then sent on a 4-week

subscription! 28 daily packs with all of your vitamins

✓ No more jars, organizing vitamins, and swallowing pills

INTEGRITY PHARMACY™

- ✓ Medications in the CAREpack™ are packaged according to the time of day your doctor has recommended you take them. Each packet clearly lists the date, time of day and the medications that are in the packet.
- ✓ Each packet is scanned with our robotic technology to ensure accuracy for each packet. Our clinical pharmacist completes a final check on each order.
- ✓ Our professional staff works directly with your doctors and nurses to update and refill your prescriptions.
- ✓ We can include over-the-counter items, PRN medications and items such as creams, ointments, eye drops, inhalers and diabetic supplies
- ✓ Your medications are continually reviewed by our clinical staff.
- ✓ Delivery to your door each month

We offer a simple, affordable and fully-tailored experience designed to combat nutrient deficiencies.

Pioneering personalized vitamins for everyday and everyone

We are on a mission to fix the number one health problem in the United States: nutritional imbalances

1

2

4

3

Prices:

Our starter kit includes your **blood test** and **4 weeks of free personalized vitamins** to get you started. **\$99**

After your Starter Kit, you pay only for the **vitamins** you need **with personalized plans** starting from \$15 a month. You can cancel at any point and still have access to all of your nutrient reports and data. You're in control. From **\$15** per month

To keep your vitamins truly personalized, we offer **quarterly blood testing** so you can check in on your vitals. **\$99** per quarter

1. Test your nutrient levels

You **get a painless blood test** delivered to your door to test your current nutrient levels.

2. Read your nutrient report

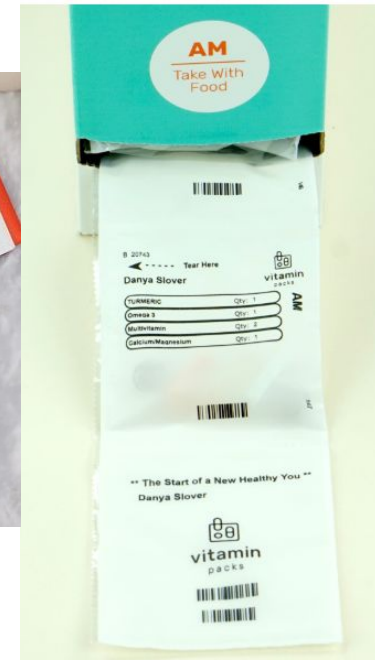

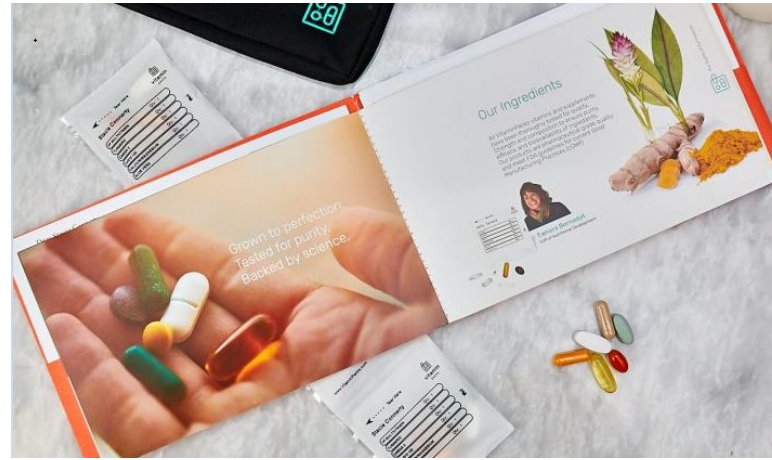

We compile **a detailed report** for you that explains your current **nutrient levels and deficiencies**.

3. Get your personalized vitamins

You receive high-quality vitamins based on your specific nutrient needs in convenient daily packs.

4. Stay in the optimal zone

We remeasure your nutrient levels every quarter and dynamically optimize your supplements.

- ✓ [Vitamin Packs](#) is a personalized vitamin subscription service that offers customized vitamins and supplements tailored to your specific needs, delivered to your door each month from only \$3 per supplement per month!
