Foreign languages are of great importance for people in the modern world. Their study is very important for us, because:

-It's a great way to train your memory

-It is an opportunity to enjoy traveling to the fullest

-it is a good opportunity to find a highly paid job

-this is an opportunity to watch movies, read books and listen to music in their original form

-it's a chance to find many foreign friends

The most important factors for us are the ability to freely travel and find a decent job.

These factors can affect our life in the future. Travel abroad will bring a lot of experience and a lot of new friends, and the dream job will allow you to have fun all your life.
