The background image shows a vast industrial facility, likely a steel mill or refinery. The scene is filled with a dense network of dark metal structural beams, walkways, and large-scale machinery. On the right side, a prominent feature is a large, horizontal, cylindrical piece of equipment, possibly a furnace or a large storage tank, with various pipes and valves attached. The lighting is somewhat dim, with some bright spots from overhead industrial lights, creating a gritty and industrial atmosphere. The overall color palette is dominated by greys, blacks, and metallic tones.
