

The 15th of September

Choosing a Career My Future

Цель урока:

- развивать навыки монологической, устной и письменной речи по теме: «Choosing a Career. My Future Profession».

Задачи урока:

- активизировать ранее изученную лексику по теме «Профессия» в устной и письменной речи;
- развивать умение общаться на английском языке, используя профессиональную лексику;
- способствовать развитию интеллектуальных способностей обучающихся;
- формировать коммуникативные компетенции обучающихся;
- развивать у обучающихся самостоятельность мышления.

The epigraph to the lesson

- **“Real success is finding your lifework in the work that you love” – (David McCulloch)**
- ***(Если вы удачно выберете труд и вложите в него всю душу, то счастье само отыщет вас)***

Poem

[w],[tS],[r]

If we could know which road to take,
If we were told which choice to make,
We wouldn't need to hurry,
And nobody would worry,
Life would be just a piece of cake

Match the professions and the jobs descriptions

- 1) a social worker
- 2) an electrician
- 3) a pharmacist
- 4) an estate agent
- 5) a chemist
- 6) a vet
- 7) a travel agent
- 8) a lawyer
- 9) a receptionist
- 10) an editor
- 11) a dentist
- 12) baker
- 13) surgeon

my skills and experience;
the things I am good at.**

My Future Profession is Food Technologist

Food Technologist

- The food technologists work in the food and drink industry developing a wide range of products and making sure they are safe for consumers. Food technologist may work on existing and newly-discovered ingredients to invent new recipes and concepts. Technologists modify foods to create products such as fat-free items and ready meals. Some food technologists are involved in conducting experiments and producing sample products, as well as designing the processes and machinery for making products with a consistent flavour, colour and texture in large quantities. Work is usually carried out in factories but may also take place in an office, laboratory or kitchen.
