Value of music for people

Who doesn't love music?
People can not live without music. Music can be classical and modern. Classical music is performed by symphonic orchestras in the great halls. Most of the people prefer modern music. Modern music is performed by TV and radio.

Young people like techno and disco. Older people are fond of jazz, rock and pop. I`m fond of music and like to listen to it because it helps me to have good relaxation.

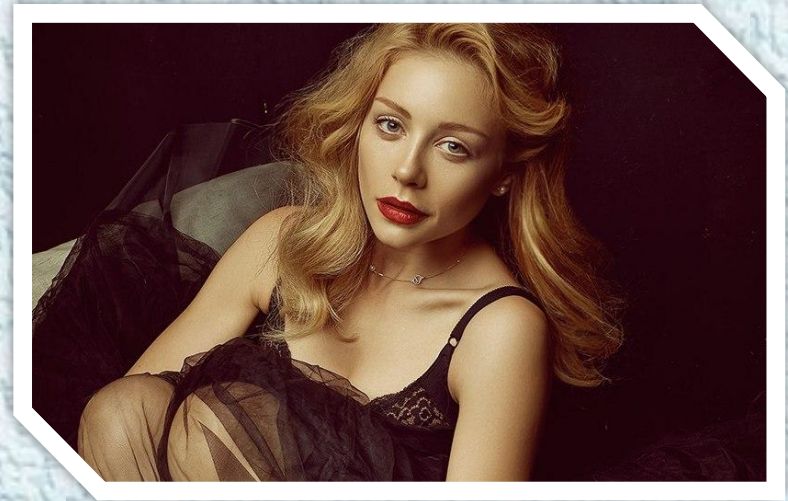

My favorite singer

There are many kinds of music. Actually, I like all types of music. There are a lot of singers or musical bands who perform this or that kind of music. I fond of Tina Karol songs. Tina Karol is a Ukrainian singer.

She is never rest, she is always on the move, meeting people, while she moves from place to place. This woman with a sunny smile welcomes people, makes new friends , and signs autographs all at the same time. She took part in musical film «Christmas story». Tina is a very sociable person.
