# Presentation design

This presentation uses the following typographies and colors:

- ◉ Titles: **Playfair display**
- ◉ Body copy: **Tinos**

You can download the fonts on this page:

<https://www.fontsquirrel.com/fonts/playfair-display>

<https://www.fontsquirrel.com/fonts/tinos>

**SlidesCarnival icons are editable shapes.**  
This means that you can:  
*Resize them without losing quality, change fill color and opacity and change line color, width and style.*

Isn't that nice? :)

Now you can use any emoji as an icon!  
And of course it resizes without losing quality and you can change the color.
