A photograph of a wooden chair on a balcony. The chair is in the foreground, and the background shows a window with white curtains and dark wooden frames. The text is overlaid on the image in a white, cursive font. There are large, semi-transparent purple quotation marks behind the text.

quotations are commonly printed  
as a means of inspiration and to  
invoke philosophical thoughts  
from the reader.

- ✘ Here you have a list of items
- ✘ And some text
- ✘ But remember not to overload your slides with content

Your audience will listen to you or read the content, but won't do both.

# big concept

Bring the attention of your audience over a key concept using icons or illustrations

*you can also split your content*

## **White**

Is the color of milk and fresh snow, the color produced by the combination of all the colors of the visible spectrum.

## **Black**

Is the color of coal, ebony, and of outer space. It is the darkest color, the result of the absence of or complete absorption of light.

*in two or three columns*

### **Yellow**

Is the color of gold, butter and ripe lemons. In the spectrum of visible light, yellow is found between green and orange.

### **Blue**

Is the colour of the clear sky and the deep sea. It is located between violet and green on the optical spectrum.

### **Red**

Is the color of blood, and because of this it has historically been associated with sacrifice, danger and courage.

**OUR  
OFFICE**

A green bicycle is leaning against a weathered wooden wall. To the left of the bicycle is a blue door with a wooden frame. The wall is made of vertical wooden planks, some of which are peeling or missing. The scene is outdoors, with grass visible at the bottom. The entire image is framed by a white border.

*You don't need to keep this slide in your presentation. It's only here to serve you as a design guide if you need to create new slides or download the fonts to edit the presentation in PowerPoint®*

**SlidesCarnival icons are editable shapes.**

This means that you can:

- Resize them without losing quality.
- Change fill color and opacity.

Isn't that nice? :)

Examples:

## Now you can use any emoji as an icon!

And of course it resizes without losing quality and you can change the color.
