1. Casual working uniform

Qantas Airline

The form is completely black with red and pink and red inserts - there is something mysterious about this image. Flight attendants, dressed designer Martin Grant, are more like spies. According to the couturier, black is an elegant, business-like color suitable for everyday wear.

Air Canada Rouge

Scarf

T-shirt

The uniform of this airline, undoubtedly, focuses on the hips of its employees. It consists of gray trousers, burgundy cap, jacket or woolen vest in a Bordeaux tone, supplemented with a neck scarf for women and ties for men - everything looks flawless and fashionable.

Sometimes stewardesses can put on a hat to tone, which creates an atmosphere of the music salon, but can not be used in airplanes, and unforgettable models of shoes designed by Canadian designers.

Korean Airlines

Gianfranco Ferré, the designer of the uniform Korean airlines emphasized the soft tones of beige and blue and second-hand quality material, so that the crew would be comfortable and pleasant to spend many hours in flight so that they looked stylish and fashionable in their skirts, trousers and jackets. A small neck scarf symbolizes the "flight". An integral part of the image is the hairstyle of flight attendants.

3. Sports wardrobe

Undershirt

Shorts

Socks

sneakers

2. Domestic wardrobe

Carven (long time exclusive rights to sewing uniforms for stewardesses belonged to this particular brand)

Queen of the collection - the length of a mini from 60x. On your choice of a model with a pronounced waist - the distinctive features of the fashion house Carven, mini-dresses, mini skirts cut "trapezium" with high waist in the style of ye-ye
