I think reading is very important in our life. Books help to discover new things. They make me feel good. Reading is very perfect way to learn.

**My favorite genres of books are fantasy, adventure and historical. I think these books are very exciting.**

My favorite book is

“Harry Potter”.

Some people

believe that this  
book is fairytale

for children. But

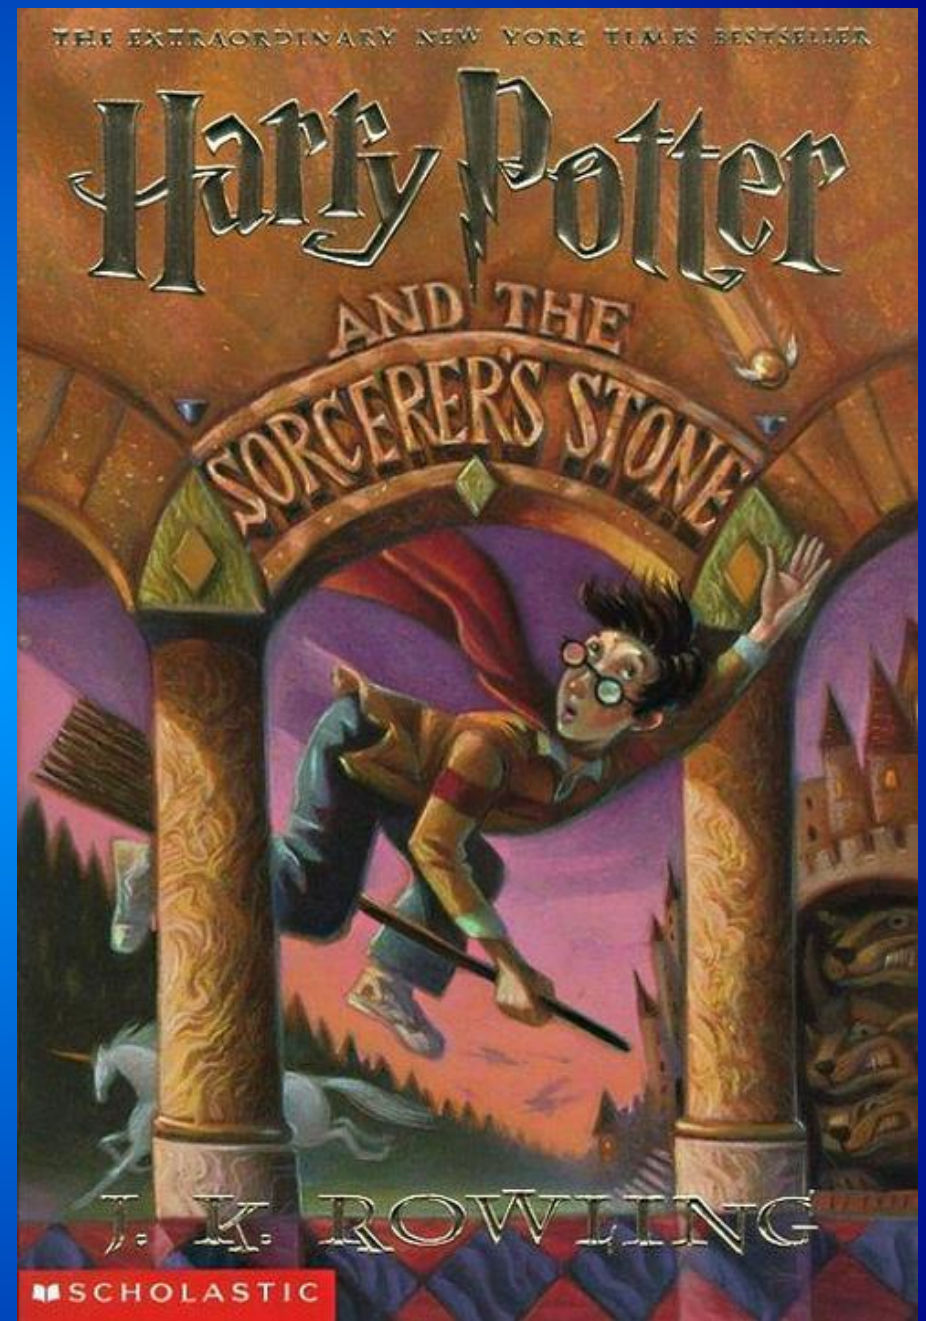

people who are

older than me

read this book

with great

interest too.

**There are 7 parts of this book. The adventures of Harry Potter and his friends, Ron and Hermione in School of Witchcraft and Wizardry Hogwarts are described in each book. Many characters have taught me kindness, fri**

**“Harry Potter” was translated into 65 languages. First book was published on the 30<sup>th</sup> of June 1997, and last book - on the 21<sup>st</sup> of July 2007.**

The author of
