

MY LAST SHOPPING

Last time I bought products in KORONA. This is a supermarket with a lot of departments with goods.

- ▶ First I went to a bakery and took the cinnamon buns and a loaf of bread.

- ▶ Then I went to a dairy and took a bottle of milk, sour cream and yogurts with blueberries.

- ▶ The next I went to a greengrocer's and took a bunch of bananas and a pair of tomatoes.

- ▶ The last I went to the check-out. I paid my purchases by plastic card. And I think, price that i paid was it very reasonable.
