Ireland SPE Members Get Section of Their Own Inaugural HSE Conference Coming to Africa in September SPE Announces 2014 Section Excellence Award Winners New SPE Technical Report Available for Comment All SPE news

A sharp rise in seismic events in some areas of the United States where oil and gas production is booming is leading regulators and the industry to examine whether the two are related.

Who We Are

SPE is the largest individual member organization serving managers, engineers, scientists and other professionals worldwide in the upstream segment of the oil and gas industry.
