Fashion has been something that I have been really into since a very long time. Every girl likes dressing up, and I am that kind of a girl who take a little time to dress up. I love to dress up at occasions.

I look at culture, and I see what the kids around me are wearing, and I see a particular style. I understand the space between fashion and streetwear.

The great thing about fashion is that it always looks forward.

We all fight over what the label 'feminism' means but for me it's about empowerment. It's not about being more powerful than men - it's about having equal rights with protection, support, justice. It's about very basic things. It's not a badge like a fashion item.
