Capsule wardrobe for office workers (women)

Batudaeva Oyuna, KSH-51

Work clothes

Competently selected business women's clothing will help to make a favorable impression on a business partner, leader or subordinates, emphasize your professionalism and personal qualities: punctuality, organization, neatness. Do not forget that the business style is not just for the office: use it in everyday life and for going out into the light, choosing the right direction.

Casual wear

Typically, it is fashionable casual clothes to choose the most difficult. Many throw all the forces and finances to replenish the working wardrobe, and to the everyday style of clothing are based on the residual principle. This is a fundamentally wrong practice. Weekdays are a part of life, and everyday stylish clothes for free time are very important.
