

MCPB PowerPoint template 2018

Three cover options...

EUROCHEM

EUROCHEM

Title

date

EUROCHEM

Basic elements

To keep in mind (please refer to MCPB style recommendations)

Headlines font – Arial, 20, bold, RGB 16/37/63.

General copy – Arial, 12-16 (depending on amount), black.

Annotations – Arial, 8, RGB 82/87/89.

An upcoming (next 12 months) revision to the master brand book will seek to further harmonize color use across products & functions. Please strive to follow these recommendations until then.

Color palette

Primary corporate colors

RGB: 5-56-104

RGB: 0-176-240

Represent our company most of the time and should prevail whenever possible.

RGB: 81-87-89

RGB: 255-194-17

RGB: 149-193-31

Serve as supporting colors and can be applied to most corporate media when primary colors are not enough.

Supportive palette for charts and diagrams

RGB: 25-138-244

RGB: 93-212-255

RGB: 149-155-157

RGB: 255-218-112

RGB: 198-231-107

This palette is derived from primary and secondary corporate palette by correcting brightness (+40%).

Water solubles
RGB: 147-194-239

WSF | Balanced
RGB: 232-17-45

WSF | High N
RGB: 0-163-221

WSF | High P
RGB: 158-79-165

WSF | High K
RGB: 150-147-142

WSF | Balanced low P
RGB: 30-181-58

WSF | High K Med N
RGB: 249-86-2

Division / other colors

Nitrogen
0 / 176 / 240

Potash
119 / 147 / 60

Phosphates
149 / 55 / 53

Logistics
112 / 48 / 160

Sustainability
149 / 193 / 31

Distribution / quotes
255 / 192 / 0

Text shading
217 / 217 / 217

Products

Nitrophoska S
RGB: 125-25-42

standard products:
RGB 81-87-89

Nitrophoska C
RGB: 189-128-81

Entec
RGB: 88-150-57

Crenel
RGB: 78-0-142

Utec
RGB: 240-172-0

UMG
RGB: 212-85-0

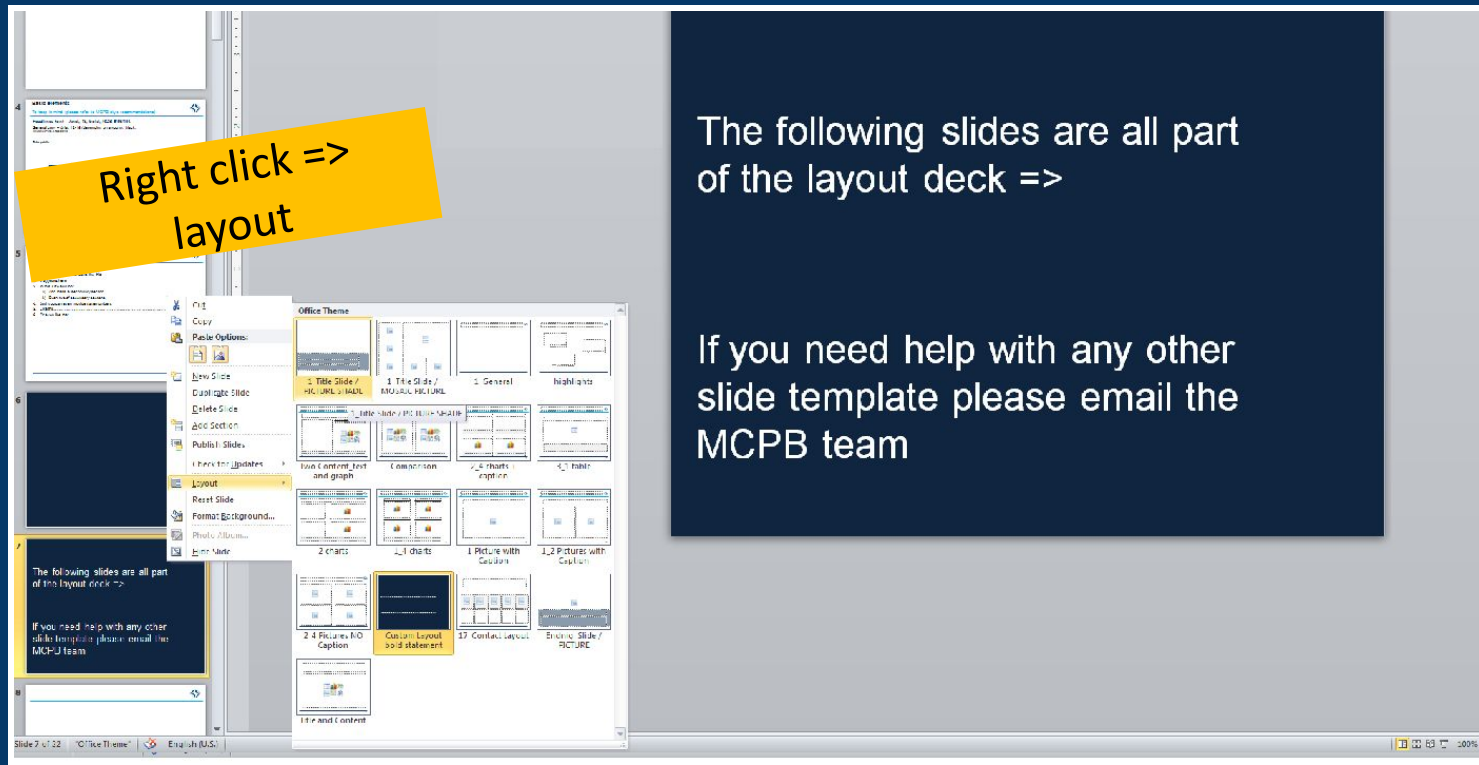

Here's how a table of contents should look like....

When needed

1. The table of contents looks like this
2. It appears here
3. In this size and font
 - a) And that's a secondary section
 - b) Even two of secondary sections
4. And you can even provide page numbers
5. Like this.....14
6. Or even like that.....79

The following slides are all part of the layout deck =>

This presentation has been prepared by EuroChem Group AG (“EuroChem” or the “Company”) or one of its subsidiaries for informational purposes, and may include forward-looking statements or projections. These forward-looking statements or projections include matters that are not historical facts or statements and reflect the Company’s intentions, beliefs or current expectations concerning, among other things, the Company’s results of operations, financial condition, liquidity, performance, prospects, growth, strategies, and the industry in which the Company operates. By their nature, forward-looking statements and projections involve risks and uncertainties as they relate and depend on events and circumstances that may or may not occur in the future. The Company therefore cautions you that forward-looking statements and projections are not guarantees of future performance and that the actual results of operations, financial condition and liquidity of the Company and the development of the industry in which the Company operates may differ materially from those made in or suggested by the forward-looking statements or projections contained in this presentation. Factors that could cause the actual results to differ materially from those contained in forward-looking statements or projections in this presentation may include, among other things, general economic conditions in the markets in which the Company operates, the competitive environment in, and risks associated with operating in, such markets, market change in the fertilizer and related industries, as well as many other risks affecting the Company and its operations. In addition, even if the Company’s results of operations, financial condition and liquidity and the development of the industry in which the Company operates are consistent with the forward-looking statements or projections contained in this presentation, those results or developments may not be indicative of results or developments in future periods. The Company does not undertake any obligation to review or confirm expectations or estimates or to update any forward-looking statements or projections to reflect events that occur or circumstances that arise after the date of this presentation,

This document does not constitute or form part of any advertisement of securities, any offer or invitation to sell or issue, or any solicitation of any offer to purchase or subscribe for, any securities of the Company in any jurisdiction, nor shall it or any part of it nor the fact of its presentation, communication or distribution form the basis of, or be relied on in connection with, any contract or investment decision. No reliance may be placed for any purpose whatsoever on the information contained in this document or on assumptions made as to its completeness. No representation or warranty, express or implied, is given by the Company, its subsidiaries or any of their respective advisers, officers, employees or agents, as to the accuracy of the information or opinions or for any loss howsoever arising, directly or indirectly, from any use of this presentation or its contents,
