

The background is a vibrant, celebratory design. It features a warm color palette of reds, oranges, and yellows. Large, stylized stars in shades of yellow and orange are scattered across the scene, some with white outlines and others with a gradient. Diagonal rays of light, also in warm tones, sweep across the background, creating a sense of movement and energy. Small, white, starburst-like sparkles are interspersed throughout, adding to the festive atmosphere. The overall effect is bright and joyful.
