ABOUT THE COMPANY

- CIP Service Travel Agency was founded in 2008. We've been meeting and accompanying VIP-guests on their travels to Turkey for almost 8 years.
- We cooperate with tour operators from all CIS countries and we are No. 1 in sales for tourism in Kazakhstan.
- If in 2008 the CIP Service Travel Agency Team had 500 guests, in 2015 we provided high quality vacation to over 30.000!

TEAM PRINCIPLE AND EXPERIENCE

- The management of the company has extensive experience in the field of tourism (starting from housekeeping to working as the director of marketing for large companies). Over the years the CIP Service Travel Agency Team has expended its staff to 200 employees. Great demands are made on each member of the company. All employees are specially trained and regularly attend professional development courses.

PARTNERSHIP

- Our long-term and close relationship with the management of other hotels allows us to make all the desires and requests of our guests come true. The managers of our company help choose the hotel which fulfills all the requirements. Our recommended hotels are proved by time and cooperation. We give the information about all the best and high quality hotels of Antalya Coast, Kemer, Belek which we specialize on.

QUALITY CONTROL

- In the company there is the Quality Control Department (QCD) which monitors the whole working process (staff appearance, clean transportation, tour services etc.). We also pay special attention to reviews from our guests. Therefore we offer them to conduct a survey. Be sure – for reacting fast on the requests, all filled surveys are attentively checked directly by the management. Don't doubt, every detail is taken into account.

WHAT CAN WE OFFER?

- The full range of services related to leisure and work facilities for VIP-guests in Turkey. On request, we organize transfer and other transportation for traveling around Turkey, book a hotel, provide a personal guide, interpreter and bodyguard, rent a luxury yacht and arrange group or individual tours.

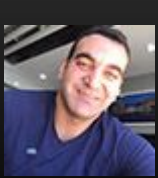

DO YOU NEED TO ORGANIZE CORPORATE EVENTS?

- We find and rent suitable convention centers, make souvenirs, and draw up an entertainment program. We start our work directly at the airport. There we meet and accompany our guests in a private CIP-terminal, help them check-in and pass passport control rapidly.
