

PAINTING STYLES

Expressionism

Экспрессионизм

What's that?

- ⌚ Expressionism is a modernist movement, initially in poetry and painting, originating in Germany at the beginning of the 20th century.

Origins

Expressionism is a painful
reaction to the civilization
ugliness of the early 20th century.

It's the art of the traumatized
generation that perceives reality
through the prism of
frustration, anxiety & fear.

Franz Marc

Франц 1880-1916 Марк
