

Albert Einstein

Albert Einstein, (born March
14, 1879, Ulm,
Württemberg, Germany—die
d April 18,
1955, Princeton, New Jersey,
U.S.)

When Einstein was four or five, he had his first scientific experience: his father showed him a pocket compass and the young boy marveled at the fact that regardless of where the compass was turned, the needle always pointed north.
